STUDENT FEEDBACK REPORT 2019-2020

The feedback from students is an exercise which is followed by the college every year. The feedback was collected in the month of October 2020, for the academic year 2019-2020. This questionnaire is designed with the purpose to know the teaching and learning experience from the students related to various attributes and it helps to analyse the requirements of the students and take a timely action. The feedback form consists of questions pertaining to curriculum, course structure, content on teaching, teaching methods adopted and assessment. The analysis of this is taken into consideration for further improvement of teaching learning process.
