1. Aashka Vivek, Presented a paper titled 'Bridging the Gap: Behavioral, Economics, Poverty and Inequality, at the International Conference on Behavioral Economics, at Christ University, on 1st to 5th September, 2025.
2. Veda Dundigalla:Presented a Case Study 'Loreal Using Generative AI to Transform Marketing Content' at the IBS International Conference on Marketing and AI Strategy, on 9th and 10th October, 2025.
3. Veda Dundigalla Presented a paper on 'Reframing CSR in Indian Non-Mainstream Sports', at the Sports and Business Conference at IIM Indore, on 9th and 10th October, 2025
4. Mansi Agarwal, Hansinin Kanna and Veda D, presented a paper titled, 'Beyond Rationality: An Empirical Study of Cognitive Biases Shaping Food and Beverage Purchase Decisions', at the International Conference on Behavioral Economics, at Christ University, on 1st to 5th September, 2025.
5. Smriti G, presented a paper titled 'Reimagining Consulting Business Models: A Strategic Blueprint for Integrated Value Creation in the Digital Era, in ICEBM, 2026, organised by VJIM on 31st March and 1st April, 2026.
6. M. Greeshma , presented a paper titled, 'Carbon Credits and Emission Trends in India: An Empirical Evaluation within the Net Zero Framework', in ICEBM, 2026, organised by VJIM, on 31st March and 1st April, 2026.
7. Saanvi Sharda presented a paper titled 'The Role of Auditory and Visual Cues and their Impact on Consumer Emotional Engagement', in ICEBM, 2026, organised by VJIM, on 31st March and 1st April, 2026.
8. Raksha Pai, presented a paper titled 'Understanding the Intangible Economy: Divergent Growth Patterns in Developed and Emerging Economies', in ICEBM, 2026, organised by VJIM, on 31st March and 1st April, 2026.

Faculty of Sciences:

1. Dr.Roselin.P presented a paper, Workplace Culture and its Impact on Motivation and

Performance of Employees in Higher Educational Institutions in the International Conference on ICOC 2025 organized by Christ Deemed to be university, Bengaluru from August 6th to 8th 2025.

2. Dr. Roselin Polugari and Dr. Anitha Thomas presented a paper, PBL for people, planet and process: A future ready approve to holistic education in Fostering Academic Partnership in Christian Higher Education institutions in Two Day Conference AIACHE South regional meet 2025 organized by AIACHE at MCC, Tamilnadu on August 29th and 30th, 2025.
3. Dr. Anitha Thomas had presented a paper titled Analysis of the Inhibitory Effects of *Camellia sinensis* on Oral Biofilm Formers in the International Conference on Sustainable Science & Technology for Tomorrow organized by SCITECH from 8th to 10th December 2025
4. Dr Anitha Thomas had presented a paper titled Phytochemical, antimicrobial and effect of UV radiations on *Camelia sinensis*, *Curcuma longum* *Trigonella foenum* in the International Conference on Novel Therapeutics to Combat antimicrobial resistance: Collaboration, innovation & sustainability 2026 (ICMIC'26) organized by Department of Microbiology, St. Francis College for Women in association with Association of Microbiologists of India (AMI), Hyderabad Unit and Department of Biology, Case Western Reserve University, Ohio, USA on 9th January 2026.
5. Dr Anitha Thomas had presented a paper titled Evaluating the efficacy and safety of red clover in preventing tooth decay in the International Conference on Novel Therapeutics to Combat antimicrobial resistance: Collaboration, innovation & sustainability 2026 (ICMIC'26) organized by Department of Microbiology, St. Francis College for Women in association with Association of Microbiologists of India (AMI), Hyderabad Unit and Department of Biology, Case Western Reserve University, Ohio, USA on 9th January 2026.
6. Dr Anitha Thomas had presented a paper titled Biofilm mediated antibiotic resistance in bacteria isolated from dental infection in the International Conference on Novel Therapeutics to Combat antimicrobial resistance: Collaboration, innovation & sustainability 2026 (ICMIC'26) organized by Department of Microbiology, St. Francis College for Women in association with Association of Microbiologists of India (AMI), Hyderabad Unit and Department of Biology, Case Western Reserve University, Ohio, USA on 9th January 2026.
7. Dr Anitha Thomas had presented a paper titled Green Synthesis of metal nanoparticles using citrus peel extracts in the International Conference on Novel Therapeutics to Combat antimicrobial resistance: Collaboration, innovation & sustainability 2026

- (ICMIC'26) organized by Department of Microbiology, St.Francis College for Women in association with Association of Microbiologists of India (AMI), Hyderabad Unit and Department of Biology, Case Western Reserve University, Ohio, USA on 9th January 2026.
8. Dr. P Roselin and Dr. Gayatri presented a paper titled Green Synthesis of Nanoparticles as Supplemental Treatment Against MDR Strains in the International Conference on Novel Therapeutics to Combat antimicrobial resistance: Collaboration, innovation & sustainability 2026 (ICMIC'26) organized by Department of Microbiology, St.Francis College for Women in association with Association of Microbiologists of India (AMI), Hyderabad Unit and Department of Biology, Case Western Reserve University, Ohio, USA on 9th January 2026.
 9. Dr.Roselin.P presented a paper titled Bacterial pigment production in fruit peel media for dyeing and antimicrobial use in the International Conference on Novel Therapeutics to Combat antimicrobial resistance: Collaboration, innovation & sustainability 2026 (ICMIC'26) organized by Department of Microbiology, St. Francis College for Women in association with Association of Microbiologists of India (AMI), Hyderabad Unit and Department of Biology, Case Western Reserve University, Ohio, USA on 9th January 2026.
 10. Dr.Roselin.P presented a paper titled Evaluation of antibacterial activity of nano-formulation of antibiotics in the International Conference on Novel Therapeutics to Combat antimicrobial resistance: Collaboration, innovation & sustainability 2026 (ICMIC'26) organized by Department of Microbiology, St. Francis College for Women in association with Association of Microbiologists of India (AMI), Hyderabad Unit and Department of Biology, Case Western Reserve University, Ohio, USA on 9th January 2026.
 11. Dr.Roselin.P presented a paper titled Antimicrobial potential of orange peel and mulberry leaf extracts incorporated with nanoparticles in the International Conference on Novel Therapeutics to Combat antimicrobial resistance: Collaboration, innovation & sustainability 2026 (ICMIC'26) organized by Department of Microbiology, St. Francis College for Women in association with Association of Microbiologists of India (AMI), Hyderabad Unit and Department of Biology, Case Western Reserve University, Ohio, USA on 9th January 2026.
 12. Dr. Gayatri presented a paper titled Exploration of Endophytic Microorganisms from Medicinal Plants and their Antimicrobial Properties in the International Conference on Innovation in medicinal plants organized by RBVRR college on 12th February 2026.
 13. Dr. Gayatri presented a paper titled Inhibition of Biofilm using natural Plant extracts

and essential oils in the International Conference on Novel Therapeutics to Combat antimicrobial resistance: Collaboration, innovation & sustainability 2026 (ICMIC'26) organized by Department of Microbiology, St. Francis College for Women in association with Association of Microbiologists of India (AMI), Hyderabad Unit and Department of Biology, Case Western Reserve University, Ohio, USA on 9th January 2026.

14. Dr. Gayatri presented a paper titled *Pseudomonas* Vs. *Pseudomonas*: In-Silico Analysis of Resistance Genes in *Pseudomonas aeruginosa* against bicyclic antimicrobial peptide of *Pseudomonas* in the International Conference on Novel Therapeutics to Combat antimicrobial resistance: Collaboration, innovation & sustainability 2026 (ICMIC'26) organized by Department of Microbiology, St. Francis College for Women in association with Association of Microbiologists of India (AMI), Hyderabad Unit and Department of Biology, Case Western Reserve University, Ohio, USA on 9th January 2026.
15. Dr. Arsheen Tabassum presented a paper, Alternative strategies against clinical multi drug resistant pathogens: antibacterial role of *Syzygium aromaticum* in MDR *Enterobacter cloacae* in the International Conference on BIOTrendz: Environment and sustainability in science and technology organized by NIET, Noida on September 29th to 30th 2025.
16. Dr. Arsheen Tabasum presented a paper titled "Histopathological evaluation of the wound healing potential of *Syzygium cumini* in diabetic Wister rats" at the National Conference on Integrating Sustainable Sciences with Indian Knowledge System (ISSIKS 2026), held on 19th and 20th March 2026, organized by Shri Rawatpura Sarkar University.
17. Dr. Arsheen Tabassum presented a paper titled From Ancient Remedies to Nanotechnology: Comparing Medicinal Plants and Green-Synthesized Nanoparticles Against Multidrug-Resistant Bacteria. in the International Conference on Novel Therapeutics to Combat antimicrobial resistance: Collaboration, innovation & sustainability 2026 (ICMIC'26) organized by Department of Microbiology, St. Francis College for Women in association with Association of Microbiologists of India (AMI), Hyderabad Unit and Department of Biology, Case Western Reserve University, Ohio, USA on 9th January 2026.
18. Dr. Arsheen Tabassum presented a paper titled Screening of Plant extracts and Nanoparticles against Multidrug resistant pathogens for their therapeutic properties in the International Conference on Novel Therapeutics to Combat antimicrobial resistance: Collaboration, innovation & sustainability 2026 (ICMIC'26) organized by

Department of Microbiology, St. Francis College for Women in association with Association of Microbiologists of India (AMI), Hyderabad Unit and Department of Biology, Case Western Reserve University, Ohio, USA on 9th January 2026.

19. Dr. Arsheen Tabassum presented a paper titled Revealing MDR *Aerococcus viridans* in diabetic wounds and the healing potential of *Syzigium cumuni* seed extracts in the 4th Annual Conference of Microbiologists Society, India and 10th Annual International Conference of the Indian Network for Soil Contamination Research (INSCR) on “Trends in Biological Sciences 2025 [TIBS-2025]” organised at JNU, New Delhi from 8-10, December , 2025
20. Dr. Arsheen Tabassum presented a paper titled Bacteriocin loaded silver Nanoparticles in Eye drop formulation in the Two-Day International Conference on SCISUSTAIN 2025 Fostering Sustainable Development through Interdisciplinary Scientific Research Organized by Faculty of Science sponsored by the CSIR, India held at Kalinga University, Naya Raipur on 17th September 2025.
21. Dr. Arsheen Tabasum presented a research paper titled “Evaluation of medicinal plant seed extracts and their green synthesized nanoparticles for development of topical therapeutics against multidrug resistant skin infections” at the National Conference on Integrating Sustainable Sciences with Indian Knowledge System (ISSIKS 2026), held on 19th and 20th March 2026, organized by Shri Rawatpura Sarkar University.
22. Dr. Arsheen Tabassum presented a paper on Green silver nanoparticles as new antimicrobial strategy against Multi Drug resistant bacteria, at National Conference on Integrating sustainable sciences with indian knowledge system. ISSIKS - 2026, on 19th & 20th March 2026, organized by Shri Rawatpura Sarkar University, Raipur.
23. Dr. Arsheen Tabassum presented a paper titled Silver nanoparticles as Antimicrobial agents against Multi Drug resistant bacteria, in the International Conference on Novel Therapeutics to Combat antimicrobial resistance: Collaboration, innovation & sustainability 2026 (ICMIC’26) organized by Department of Microbiology, St. Francis College for Women in association with Association of Microbiologists of India (AMI), Hyderabad Unit and Department of Biology, Case Western Reserve University, Ohio, USA on 9th January 2026.
24. Dr. Arsheen Tabassum presented a poster entitled Computational Analysis of Lactate Oxidase from Multidrug resistant *Aerococcus viridans*: Insights into Drug and Phytochemicals Interactions at 18th Regional Science and Engineering fair, Telangana, November 8, 2025.
25. Dr. Arsheen Tabassum Presented paper on the topic Bacteriocin loaded silver Nanoparticles in Eye drop formulation at the Two-Day International Conference on

SCISUSTAIN 2025 Fostering Sustainable Development through Interdisciplinary Scientific Research, organised by the Faculty of Science sponsored by the CSIR, India held at Kalinga University, Naya Raipur, on 17th September 2025.

26. Dr. Arsheen Tabassum Presented a paper titled “Innovative Sustainable Therapeutics from Farm to Pharmacy: Harnessing medicinal plants for antibacterial defense against Multidrug-Resistant Bacteria in Diabetic Foot Ulcers” at an “International Conference on Allied Sciences and Novel Trends in Resilient & Precision Agriculture" on 30th May 2025.
27. Dr. Arsheen Tabassum Presented a paper titled Formulation and in vivo evaluation of a plant based ointment against MDR *Aerococcus viridans*” at the “International conference on BioTrendz Environmental and Sustainability in science and Technology 29th and 30th September 2025 organized by the Department of Biotechnology, Noida Institute of Engineering and Technology (NIET).
28. Dr. Arsheen Tabassum Presented a paper “Beyond the Lab: Ethical, Legal and Social Implications in Health Biotechnology”, BIO Web of Conferences 204, 01003 (IEM-HEALS), September 2025.
29. Ms. K Swathi presented a paper titled Green Synthesis of silver nanoparticles from neem and Ajwain for tomato shelf life in the International Conference IMPNPR 2026 organised by RVBR College on February 12 to 14, 2026.
30. Ms. K Swathi presented a paper titled Green synthesis of Silver nanoparticles using *Citrus Sinensis* peel extract and evaluation of antibacterial activity in the International Conference on Synergy in science - Integrating diverse disciplines for sustainable technological evolution 2026 organised by department of Life science, Little Flower Degree College in association with Progressive Biochar society (PBS), Hyderabad on March 25th & 26th, 2026.
31. Ms Swathi, Assistant Professor presented a paper titled Preparation and Evaluation of Chitosan Silver Nanoparticles and Zinc Nanoparticles from Orange peel for antibacterial activity, in 2-Day International Conference on Global Sustainability through Life Sciences: Green Energy, Climate Resilience & SDG Integration (hybrid Mode), organised by St Pious X Degree & PG College for Women, Nacharam, Hyderabad in collaboration with Dallas Baptist University, Dallas, Texas, USA and Progressive Biochar Society, Hyderabad, on February 17th -18th 2026.
32. Dr. Sunita. D presented a paper titled From Ancient Remedies to Nanotechnology: Comparing Medicinal Plants and Green-Synthesized Nanoparticles Against Multidrug-Resistant Bacteria. in the International Conference on Novel Therapeutics to Combat antimicrobial resistance: Collaboration, innovation & sustainability 2026 (ICMIC'26)

organized by Department of Microbiology, St.Francis College for Women in association with Association of Microbiologists of India (AMI), Hyderabad Unit and Department of Biology, Case Western Reserve University, Ohio, USA on 9th January 2026.

33. Dr. Sunita. D presented a paper titled Silver nanoparticles as Antimicrobial agents against MultiDrug resistant bacteria, in the International Conference on Novel Therapeutics to Combat antimicrobial resistance: Collaboration, innovation & sustainability 2026 (ICMIC'26) organized by Department of Microbiology, St.Francis College for Women in association with Association of Microbiologists of India (AMI), Hyderabad Unit and Department of Biology, Case Western Reserve University, Ohio, USA on 9th January 2026.
34. Dr. Sunita. D presented a paper titled Green synthesis of ZnO nanoparticles using *Catharanthus roseus* leaf extract, characterization and evaluating their antimicrobial activity against MDR Bacteria, in the International Conference on Novel Therapeutics to Combat antimicrobial resistance: Collaboration, innovation & sustainability 2026 (ICMIC'26) organized by Department of Microbiology, St.Francis College for Women in association with Association of Microbiologists of India (AMI), Hyderabad Unit and Department of Biology, Case Western Reserve University, Ohio, USA on 9th January 2026.
35. Dr Sunita. D presented a paper on Green synthesis of Titanium and Iron nanoparticles using medicinal plant extracts and evaluation of their various properties, in a International conference on sustainable planet 2026: Multidisciplinary innovation for environmental resilience SPIMER 2026, on 26th & 27th February 2026, organized by School of Sciences and R & D Cell, IIMT University, Meerut, Uttar Pradesh.
36. Dr Sunita. D presented a paper on Effect of Green synthesized metal oxide nanoparticles and Nanocomposites on Tomato plants affected by Bacterial speck disease, in a International conference on sustainable planet 2026: Multidisciplinary innovation for environmental resilience SPIMER 2026, on 26th & 27th February 2026, organized by School of Sciences and R & D Cell, IIMT University, Meerut, Uttar Pradesh.
37. Dr Sunita. D presented a paper on Green silver nanoparticles as a new antimicrobial strategy against Multi Drug resistant bacteria, at National Conference on Integrating sustainable sciences with indian knowledge system. ISSIKS - 2026, on 19th & 20th March 2026, organized by Shri Rawatpura Sarkar University, Raipur.
38. Dr Sunita. D presented a paper on Synergistic antimicrobial potential of ZnO-CuO nanocomposites compared to individual metal oxide nanoparticles against Multi-Drug

resistance Bacteria, at International Conference on Synergy in science - Integrating diverse disciplines for sustainable technological evolution. SIS2K26 on 25th & 26th March 2026, organized by Little Flower college, Uppal.

39. Dr.Roselin.P, Dr.Anitha Thomas and Dr.Gayatri V presented a paper on Indigenous Medicinal Heritage for Sustainable Health & well Being at National Seminar on Understanding India from Its Grounded Knowledge on 29th and 30th March 2026 organized by Boi Aarot Publication, Kolkata
40. Ms. Natasha Selvina had presented a paper , Screening , characterization and isolation of DHA producing bacteria from natural sources in Two Day international conference on SCISUSTAIN fostering sustainable development through interdisciplinary scientific research organized by Faculty of science sponsored by CSIR , Kalinga University , September 17th , 18th 2025.
41. Ms. Spandana had presented a paper titled "Formulation of Cholesterol free Low-fat Vegan eggs as an alternative to Animal eggs" in the International Conference- Recent Advances in Agriculture, food security, veterinary and Allied sciences for Livelihood for environmental sustainability organized by Cluster colleges, on April 25, 2025.
42. Ms. Patricia Michael had presented a paper titled "Impact of Dietary intervention on eating patterns and BMI of Adolescents" in the International Conference- Next Gen Nutrition- integrating Nutrigenetics and sustainability organized by St. Ann's College, vizag on August 13, 2025.
43. Ms. Uma Maheshwari had presented a paper titled "Impact of skipping meals on Stress, anxiety and depression in adolescents" in the 17th Annual Clinical Nutrition international conference- NUTRIUTSAV 2025, organised by the Madras Medical Mission, Chennai on August 29, 2025.
44. Dr. Tabitha Ramona had presented a Paper titled "Impact of different cooking methods on the Anti-oxidant properties of Flax Microgreens" in the International Conference on Safe, Standard and Sustainable Food Processing for a Healthier Tomorrow- ICSSS FoodXplore'25 organized the Department of Food Process Engineering, Tamil Nadu Agricultural University, Coimbatore on January 29 & 30, 2026.
45. Ms. Indu Bhargavi had presented a Poster titled "Decontamination of Pesticide and Colorant Residues from Fresh Produce Using Plasma-Activated Water" in the International Conference on Safe, Standard and Sustainable Food Processing for a Healthier Tomorrow- ICSSS FoodXplore'25 organized the Department of Food Process Engineering, Tamil Nadu Agricultural University, Coimbatore on January 29 & 30, 2026.
46. Dr. Durga Nandini had presented a Paper titled "Comparative Evaluation of Shelf Life

and Nutritional Stability of Foods Packed in Conventional and Eco-Friendly Packaging Materials” in the International Conference- Integrative Biotechnology for Global Impact- IBGI 2026 organized by the Department of Biotechnology, St. Francis College for Women, Begumpet, Hyderabad on February 17, 2026.

47. Ms. G. Vinya Tejashvi had presented a Paper titled “Influence of fermentation on enhancing mineral bio accessibility of underutilized millets” in the International Conference- Integrative Biotechnology for Global Impact- IBGI 2026 organized by the Department of Biotechnology, St. Francis College for Women, Begumpet, Hyderabad on February 17, 2026
48. Ms. N. Spandana had presented a Paper titled “A Systematic Analysis of Dietary Diversity Score and Menopause-Related symptom cluster burden among Middle-Aged Women: Correlational insights across Emotional and Physiological Metrics” in the International Conference- Integrative Biotechnology for Global Impact- IBGI 2026 organized by the Department of Biotechnology, St. Francis College for Women, Begumpet, Hyderabad on February 17, 2026.
49. Ms. Patricia Michael had presented a paper titled “Development and Nutritional Evaluation of Ginkgo Biloba Based - Nutraceutical Biscuits” in the International Conference- Bio-Convergence & Next-Gen food systems: towards sustainable Nutrition and Global Food Resilience organized by Amity University, Noida, on March 17 & 18, 2026.
50. Dr. Durga Nandini had presented a Paper titled “Impact of sprouting, fermentation and thermal processing on mineral bio accessibility and phytate reduction in Eleusine coracana” in the International Conference- Bio Convergence & Next -Gen Food Systems: Towards Sustainable Nutrition and Global Food Resilience organized by Amity University, Noida, on March 17 & 18, 2026.
51. Ms. N. Spandana had presented a Paper titled “Dual Fortification of Vitamin C And Iron in the Corn Starch– A Functional Food Ingredient” in the International Conference- Bio Convergence & Next -Gen Food Systems: Towards Sustainable Nutrition and Global Food Resilience organized by Amity University, Noida, on March 17 & 18, 2026.
52. Ms. G. Vinya Tejashvi had presented a Paper titled “Innovation in Sustainable Food Matrices: Physicochemical and Spectroscopic Evaluation of plant-derived Natural Colourants” in the International Conference International Conference on Food Nutrition and health (ICFNH) 26 organized by The Gandhigram Rural Institute DTBU, Tamil Nadu, on March 5, 2026.
53. Ms. N. Spandana had presented a Paper titled “Impact of Different Thermal Processing

Methods on Polyphenol Retention and In-vitro Bio-accessibility in *Oryza sativa* L. (Black Rice)” in the International Conference International Conference on Food Nutrition and Health (ICFNH) 26 organized by The Gandhigram Rural Institute DTBU, Tamil Nadu, on March 5, 2026.

54. Ms. Sai Keerti had presented a Paper titled “Household level clustering of obesity in India Investigation of socioeconomic and Geographical patterns” in the International Conference International Conference on Food Nutrition and health (ICFNH) 26 organized by The Gandhigram Rural Institute DTBU, Tamil Nadu, on March 6, 2026.
55. Dr. Durga Nandini had presented a Paper titled “Effect of Thermal Processing techniques on Phenolic profile and Bio accessibility of *Vigna Mungo* using an In vitro Digestion Model” in the International Conference International Conference on Food Nutrition and health (ICFNH) 26 organized by The Gandhigram Rural Institute DTBU, Tamil Nadu, on March 5, 2026.
56. Ms. Sai Keerti had presented a Poster titled “Development and Nutritive evaluation of green leafy nacho chips” in the International Conference- Bio Convergence & Next -Gen Food Systems: Towards Sustainable Nutrition and Global Food Resilience organized by Amity University, Noida on March 17 & 18, 2026.
57. Ms. Sai Keerti had presented a Paper titled “Truth Vs Reality of ‘No Preservative’ Labels: A consumer Survey and Laboratory Verification Study in Hyderabad” in the International Conference- Bio Convergence & Next -Gen Food Systems: Towards Sustainable Nutrition and Global Food Resilience organized by Amity University, Noida on March 17 & 18, 2026.
58. Dr. Tabitha Ramona had presented a Paper titled “Relationship between Food Delivery App usage and Dietary Quality among young adults” in the National Conference- Women Led Development:” Pathways to Inclusive, Sustainable & Equitable Growth” organised by De Paul College, Balagola in association with Centre for Women Studies and Research, Mandya University on March 14 & 15, 2026.
59. Ms. Patricia Michael had presented a Paper titled “Analysis of Added and Hidden Sugars in ‘Healthy’ Packaged foods and Consumer awareness regarding Sugar content” in the National Conference- Women Led Development:” Pathways to Inclusive, Sustainable & Equitable Growth” organised by De Paul College, Balagola in association with Centre for Women Studies and Research, Mandya University on March 14 & 15, 2026.
60. Ms. Patricia Michael had presented a Paper titled “Development and Nutritional Evaluation of *Ginkgo Biloba*-Based Nutraceutical Biscuits” in the International Conference- Bio Convergence & Next -Gen Food Systems: Towards Sustainable

Nutrition and Global Food Resilience” organized by Amity University, Noida on March 17 & 18, 2026.

61. Dr. Tabitha Ramona had presented a Poster titled “Formulation and quality evaluation of cheese analogue using coconut milk with enhanced acceptability” in the International Conference- Bio Convergence & Next -Gen Food Systems: Towards Sustainable Nutrition and Global Food Resilience” organized by Amity University, Noida on March 17 & 18, 2026.
62. Ms. Vinya Tejashvi had presented a Paper titled “Molecular docking-based evaluation of *Clitoria ternatea* phytochemicals as multi-target modulators of endocrine and metabolic pathways in Polycystic ovary syndrome” in the International Conference- Bio Convergence & Next -Gen Food Systems: Towards Sustainable Nutrition and Global Food Resilience” organized by Amity University, Noida on March 17 & 18, 2026.
63. Dr. Durga Nandini had presented a Paper titled “Valorization of *Punica Granatum* Peel for Edible and Biodegradable Spoons: Physicochemical, Mechanical and Biodegradability Evaluation” in the International Conference- Bio Convergence & Next -Gen Food Systems: Towards Sustainable Nutrition and Global Food Resilience” organized by Amity University, Noida on March 17 & 18, 2026.
64. Ms. Sai Keerti had presented a Poster titled “Development and nutritive evaluation of green leafy nacho chips” in the International Conference- Bio Convergence & Next -Gen Food Systems: Towards Sustainable Nutrition and Global Food Resilience” organized by Amity University, Noida on March 17 & 18, 2026.
65. Dr. Tabitha Ramona had presented a Paper titled “Nutritional, Functional and Cultural dimensions of millets in traditional Indian diets” in the National seminar on Understanding India from its grounded knowledge organized by the Boi Aarot Publications, on March 29 & 30, 2026.
66. Ms. Vinya Tejashvi had presented a Paper titled “Nutritional valorization of *Oryza Aqueous* extract and *euryale ferox* in synbiotic kulfi- A study of microbial robustness and in vitro bio accessibility” in the InternationalSeminar- Synergy in science: Integrating diverse disciplines for sustainable technological evolution” organized by Little flower Degree and PG College in Collaboration with Malaysian scientists association on March 25 & 26, 2026.
67. Ms. G. Vinya Tejashvi had presented a Paper titled “AI- based Diet Monitoring: Awareness and Perception among Women” in the National Seminar Re-envisioning Higher education-Digital pathways towards Viksit Bharat 2047 organized by Osmania University in collaboration with EMRC, on March 12 & 13, 2026.

68. Ms. Sai Keerti had presented a Paper titled “Evaluation of Nutrition and Media literacy among educators in the digital age” in the National Conference- Women Led Development:” Pathways to Inclusive, Sustainable & Equitable Growth” organised by De Paul College, Balagola in association with Centre for Women Studies and Research, Mandya University on March 14 & 15, 2026.
69. Dr. K. Devy presented a paper on Nuclear energy for a sustainable Future: A Pathway towards Renewable Integration in the International conference on Sustainable science & Technology organised by the School of Sciences, Woxsen University, Hyderabad from December 8-12, 2025.
70. Ms. K. Ramanjana presented a paper in the conference “National Conference On Data Predictive Analytics And Numerical Simulations” conducted from April 23rd to 25th, 2025, organised by Indian Institute of Technology, Dhanbad.
71. Dr. Rekha R J presented a paper in the conference “Solving two-stage Quadratic Interval valued problems via Optimality and Relaxations” conducted from 3rd July to 5th July, 2025, organised by Indian Institute of Technology, Dhanbad.
72. Ms. Afeefa presented a paper titled “From bureaucracy to Blockchain: Reimagining a transparent and accountable government system ” at the ICCIDSDT-2026 organized by the Department of Computer Science & Information Technology, School of Technology, MANUU, Hyderabad, India, held on January 15 & 16, 2026.
73. Dr. Kanchana had presented a paper titled “Digitally Intelligent: A New Age of Academia” in the International Conference on Organisational Culture, Work Values and Organisational Performance in Higher Education Institutions organized by Christ University, Bengaluru from 6-8th August 2025.
74. Dr. Shikha Chander had presented a paper titled “Sustainable synthesis and functionalisation of activated carbon from pistachio shells” in the International Conference of Green Chemistry and Nanotechnology, Health environment and beyond Green Nano 2025 organised by RBVRR college, Narayanaguda Hyderabad on 24th and 25th July, 2025.
75. Dr. Saritha Aduri had presented a paper titled “Microwave assisted synthesis, characterization and antibacterial activity of Schiff bases derived from Pyridoxal hydrochloride” in the International Conference of Green Chemistry and Nanotechnology , Health environment and beyond Green Nano 2025 organised by RBVRR college, Narayanaguda Hyderabad on 24th and 25th July, 2025.
76. Dr. Saritha Aduri had presented a paper titled “Microwave assisted synthesis, characterization and antibacterial activity of Schiff bases derived from Pyridoxal hydrochloride” in the in Two-day National Seminar on "Recent Trends and Emerging

Technologies in Chemical and Allied Sciences Research (RTECASR-2025)" Organised by Department of Chemistry, Pingle Government College For Women (A) Hanumakonda on 22nd & 23rd August, 2025.

77. Dr. Susmitha. K has presented a paper titled "Synthesis, Antibacterial and Antioxidant Activities of Fe(II) Complexes of Amino Acid-Derived Schiff Bases: A Combined Experimental and Computational Study" during 62nd Annual Convention of Chemists & International Conference on "Net Zero Goal & Sustainability: Role of Chemical Sciences in Green Energy, Circular Economy, and Prosperity of India" at Madras Christian College (Autonomous), Chennai, Tamil Nadu during 18-20 December, 2025.
78. Dr. Susmitha. K has presented a paper titled "Microwave-Promoted Knoevenagel Condensation and Computational Evaluation: DFT and Docking Insights" during 62nd Annual Convention of Chemists & International Conference on "Net Zero Goal & Sustainability: Role of Chemical Sciences in Green Energy, Circular Economy, and Prosperity of India" at Madras Christian College (Autonomous), Chennai, Tamil Nadu during 18-20 December, 2025.
79. Dr. Susmitha. K has presented a paper titled "Design, Synthesis and Biological Evaluation of New Series of Ni (II), Cu (II) and Co (II) Complexes of 4-amino indane Derived Schiff Bases: A Computational Study" during 62nd Annual Convention of Chemists & International Conference on "Net Zero Goal & Sustainability: Role of Chemical Sciences in Green Energy, Circular Economy, and Prosperity of India" at Madras Christian College (Autonomous), Chennai, Tamil Nadu during 18-20 December, 2025.
80. Dr. Y. Lakshmi Madhuri has presented a paper titled "Green Synthesis and Biological Evaluation of Fluorescent ZnO Quantum Dots" in a Two day International Seminar on "New Vistas of Chemistry and interdisciplinary approach" organised by Government Degree college for women Ramagiri, Nalgonda on 7th and 8th January, 2026.
81. Dr. M. Bhargavi has presented a poster titled "Structure-Based Identification Of Novel PFKFB3 Inhibitors for Anticancer Drug Discovery" in the international conference at RBVRR College during 12-14 February, 2026.
82. Dr. M. Bhargavi has presented a poster titled "In Silico Identification of Potential EGFR Inhibitors Using Virtual Screening, Molecular Docking and DFT Studies for Cancer therapy" in the international conference at RBVRR College during 12-14 February, 2026.
83. Dr. M. Bhargavi has presented a paper titled "Atom based Pharmacophore modeling 3D -QSAR, Docking studies and ADME prediction of Chalcones as tubulin inhibitors" during 62nd Annual Convention of Chemists & International Conference on "Net Zero

Goal & Sustainability: Role of Chemical Sciences in Green Energy, Circular Economy, and Prosperity of India" at Madras Christian College (Autonomous), Chennai, Tamil Nadu during 18-20 December, 2025.

84. Dr. Saritha Aduri has presented a paper titled "Microwave-Promoted Knoevenagel Condensation and Computational Evaluation: DFT and Docking Insights" during 62nd Annual Convention of Chemists & International Conference on "Net Zero Goal & Sustainability: Role of Chemical Sciences in Green Energy, Circular Economy, and Prosperity of India" at Madras Christian College (Autonomous), Chennai, Tamil Nadu during 18-20 December, 2025.
85. Basanti Chintappalli & Revathi Saravanan, has presented a paper titled "Phytochemical Screening of Medicinal Plants- A review of Bioactive Compounds and Therapeutic properties" in the First International Conference on "Innovations in Medicinal plants and Natural products research organised by Telangana Medicinal Plants Board, Hyderabad and RBVRR Women's College, Hyderabad from February 12-14, 2026.
86. Ms. Shouni Niveditha had presented a paper titled "Biosynthesis and therapeutic evaluation of *T.dioica* Peel mediated nanoparticles" in the International Conference- "Integrative Biotechnology for Global Impact, IBGI-2026" organised by St. Francis College for Women on February 17, 2026
87. Ms. Shouni Niveditha had presented a paper titled "Green Synthesis of zinc & silver nanoparticles using *S.edule*: Biological evaluation" in the International Conference- "Integrative Biotechnology for Global Impact, IBGI-2026" organised by St. Francis College for Women on February 17, 2026
88. Ms. Shouni Niveditha had presented a paper titled "Plant mediated synthesis of zinc and silver nanoparticles from *Sechium edule* and evaluation of their biological activities" in the national conference "Innovations in Biological Sciences for a healthier planet: NCIBSHP- 2026" organised by Mahatma Gandhi University, Nalgonda on March 24- 25, 2026.
89. Ms. Shouni Niveditha had presented a paper titled "Green synthesis of bioactive silver and zinc nanoparticles from *Trichosanthes diocia* peel and their biological evaluation activities" in the national conference "Innovations in Biological Sciences for a healthier planet: NCIBSHP- 2026" organised by Mahatma Gandhi University, Nalgonda on March 24- 25, 2026.
90. Dr. Deepa Switha had presented a paper titled "Bioprospecting traditional Indian Fermented foods for Novel probiotic strains through functional and molecular characterization" in the International Conference- "Integrative Biotechnology for

Global Impact, IBGI-2026 organised by St. Francis College for Women on February 17, 2026

91. Dr. Deepa Switha had presented a paper titled “Bio exploration of Traditional Fermented foods for Isolation, Characterisation and Functional evaluation of Lactic acid bacteria” in the International Conference “Integrative Biotechnology for Global Impact, IBGI-2026 organised by St. Francis College for Women on February 17, 2026
92. Dr. Deepa Switha had presented a paper titled “Delineating functional determinants and molecular signature of probiotic candidates from traditional Indian fermented food” in the national conference “Innovations in Biological Sciences for a healthier planet: NCIBSHP- 2026” organised by Mahatma Gandhi University, Nalgonda on March 24-25, 2026.
93. Ms. Mini Fernandez had presented a paper titled “In-Silico studies of ZG16B, CLC13, KRAS, TPP3 & LAMTOR2 proteins involved in pancreatic ductal adenocarcinoma” in the International Conference “Integrative Biotechnology for Global Impact, IBGI-2026 organised by St. Francis College for Women on February 17, 2026
94. Ms. Mini Fernandez had presented a paper titled “In-Silico studies of ELOC, SELENOS, UBB, TTYH2 & MSRB3 proteins involved in renal cell carcinoma” in the International Conference- “Integrative Biotechnology for Global Impact, IBGI-2026 organised by St. Francis College for Women on February 17, 2026
95. Ms. Mini Fernandez had presented a paper titled “In-Silico studies of ERBB3, RRPTA, KRAS, CALML3, CRABP1 proteins involved in gastric cancer” in the International Conference- “Integrative Biotechnology for Global Impact, IBGI-2026 organised by St. Francis College for Women on February 17, 2026
96. Ms. Shruti Joshi had presented a paper titled “Integrative Approaches for analyzing physicochemical and biological data for water quality monitoring of Khairatabad Lake” in the International Conference “Integrative Biotechnology for Global Impact, IBGI-2026” organised by St. Francis College for Women on February 17, 2026
97. Ms. Shruti Joshi had presented a paper titled “Analysing physical, Chemical and Biological assessment of water quality of Fox Sagar Lake” in the International Conference “Integrative Biotechnology for Global Impact, IBGI-2026” organised by St. Francis College for Women on February 17, 2026
98. Ms. Shruti Joshi had presented a paper titled “Integrated analysis of physico-chemical & biological parameters in water quality assessment of Musi River” in the International Conference “Integrative Biotechnology for Global Impact, IBGI-2026” organised by St. Francis College for Women on February 17, 2026
99. Ms. Shruti Joshi had presented a paper titled “Assessment of Khairatabad lake water

quality and antibacterial screening of selected plant extract against waterborne bacteria” in the national conference “Innovations in Biological Sciences for a healthier planet: NCIBSHP- 2026” organised by Mahatma Gandhi University, Nalgonda on March 24-25, 2026.

100. Dr. Jyothi Rani presented a Paper on” Avian Heritage and Dharmic Ecology: a Reinterpreting Ancient Indian Wisdom on Biodiversity Conservation” in a Two Day National seminar organised by Boi Aarot Publication, Kolkata, West Bengal on “Understanding India from its Grounded Knowledge” held on 29th & 30th March, 2026.

Students of Sciences:

1. Navya Sri Chanadana presented a paper on Nuclear energy for a sustainable Future: A Pathway towards Renewable Integration in the International conference on Sustainable science & Technology organised by the School of Sciences, Woxsen University, Hyderabad from December 8-12, 2025.
2. Ms Hamruthavalli and Ms Angelina from PG II yr, presented a paper titled Preparation and Evaluation of Chitosan Silver Nanoparticles and Zinc Nanoparticles from Orange peel for antibacterial activity, in 2-Day International Conference on Global Sustainability through Life Sciences: Green Energy, Climate Resilience & SDG Integration (hybrid Mode), organised by St Pious X Degree & PG College for Women, Nacharam, Hyderabad in collaboration with Dallas Baptist University, Dallas, Texas, USA and Progressive Biochar Society, Hyderabad, on February 17th -18th 2026.
3. Ms. Anireddy Vaishnavi presented a paper titled “ Adaptive Sneast Farming: A Machine Learning Approach for crop recommendation and a yield Prediction Driven Decision Support System Approach for Fertilizer recommendation” at International Conference Titled “2nd International Conference on Recent Trends in Advanced Computing 2026”, conducted by School of Information Technology , St. Joseph’s University, Bangalore, India, held on February 20 & 21 ,2026.
4. Ms. Syeda Sulena Afshan presented a paper titled “ An Empirical study on Time-Dependent structure in Cryptocurrency prices using Machine Learning Models” at International Conference Titled “2nd International Conference on Recent Trends in Advanced Computing 2026”, conducted by School of Information Technology , St. Joseph’s University, Bangalore, India, held on February 20 & 21 , 2026.
5. Ms. Sirivennnela Kyatham and Ms.Shifa Zoha of B.Sc. 2H has presented a paper titled “From bureaucracy to Blockchain: Reimagining a transparent and accountable government system ” at the ICCIDS DT-2026 organized by the Department of Computer Science & Information Technology, School of Technology, MANUU,

Hyderabad, India, held on January 15 &16, 2026.

6. Ms. P. Tanmaya(121323056024) did a poster presentation in the International conference on Integrating Biotechnology for Global Impact (IGBI 2026) on 17th Feb 2026 organised by the department of Biotechnology, St. Francis college for Women, Hyderabad.
7. Ms. Ramya had presented a paper titled “Foxtail Millet paratha- A Nutritious and convenient Ready-to-cook food option” in the International Conference- Next Gen Nutrition- integrating Nutrigenetics and sustainability organized by St. Ann’s College, vizag on August 13, 2025.
8. Ms. Tejashwini Patange had presented a Poster titled “A Correlational Analysis of Dietary Diversity-Score and Psychological Well - being During Menopause” in the scientific poster session 4th edition organized by Sadhana Awards, India on January 10, 2026.
9. Ms. Anusha Bajaj had presented a Paper titled “Comparative Evaluation of Shelf Life and Nutritional Stability of Foods Packed in Conventional and Eco-Friendly Packaging Materials” in the International Conference- Integrative Biotechnology for Global Impact- IBGI 2026 organized by the Department of Biotechnology, St. Francis College for Women, Begumpet, Hyderabad on February 17, 2026.
10. Ms. Madiha Begum had presented a Paper titled “Influence of fermentation on enhancing mineral bio accessibility of underutilized millets” in the International Conference- Integrative Biotechnology for Global Impact- IBGI 2026 organized by the Department of Biotechnology, St. Francis College for Women, Begumpet, Hyderabad on February 17, 2026.
11. Ms. Akalankam Vaishnavi had presented a Paper titled “Dual Fortification of Vitamin C and Iron in Corn starch as a Functional Food ingredient” in the International Conference International Conference on Food Nutrition and health (ICFNH) 26 organized by The Gandhigram Rural Institute DTBU, Tamil Nadu, between March 5 to 7, 2026.
12. Ms. B. Himaja had presented a Paper titled “Spectroscopic and Physicochemical Evaluation of plant-derived Natural Food Colourants” in the International Conference on Food Nutrition and health (ICFNH) 26 organized by The Gandhigram Rural Institute DTBU, Tamil Nadu between March 5 to 7, 2026.
13. Ms. Mekala Shruti had presented a Paper titled “Household Level Clustering of overweight or Obesity in India: Investigation of Socio-economic and Geographical Pattern” in the International Conference on Food Nutrition and health (ICFNH) 26 organized by The Gandhigram Rural Institute DTBU, Tamil Nadu between March 5 to

7, 2026.

14. Ms. Saba Khan had presented a Paper titled “Effect of Thermal Processing techniques on Phenolic profile and Bio accessibility of Vigna Mungo using an In vitro Digestion Model” in the International Conference on Food Nutrition and health (ICFNH) 26 organized by The Gandhigram Rural Institute DTBU, Tamil Nadu between March 5 to 7, 2026.
15. Ms. Safa Afreen had presented a Paper titled “Truth Vs Reality of ‘No Preservative’ Labels: A consumer Survey and Laboratory Verification Study in Hyderabad” in the International Conference on Food Nutrition and health (ICFNH) 26 organized by The Gandhigram Rural Institute DTBU, Tamil Nadu between March 5 to 7, 2026.
16. Ms. Syeda Madeeha had presented a Paper titled “Impact of Different Thermal Processing Methods on Polyphenol Retention and In-vitro Bio-accessibility in Oryza sativa L. (Black Rice)” in the International Conference International Conference on Food Nutrition and health (ICFNH) 26 organized by The Gandhigram Rural Institute DTBU, Tamil Nadu between March 5 to 7, 2026.
17. Ms. Tejashwini Patange had presented a Paper titled “A Correlational Analysis of Dietary Diversity-Score and Psychological Well - being During Menopause” in the International Conference International Conference on Food Nutrition and health (ICFNH) 26 organized by The Gandhigram Rural Institute DTBU, Tamil Nadu between March 5 to 7, 2026.
18. Ms. Sahar Banu had presented a Paper titled “Indian Knowledge System Approach to Fermentation of Sorghum bicolor: Assessing the Impact on Mineral Bio accessibility using an Invitro Digestion Model” in the International Conference on Food Nutrition and health (ICFNH) 26 organized by The Gandhigram Rural Institute DTBU, Tamil Nadu between March 5 to 7, 2026.
19. Ms. Lovely Kumari had presented a Paper titled “Cultural and contextual sensitivity in AI vs Human Diet Counselling” in the International Conference International Conference on Food Nutrition and health (ICFNH) 26 organized by The Gandhigram Rural Institute DTBU, Tamil Nadu between March 5 to 7, 2026.
20. Ms. Maithri had presented a Paper titled “AI- based Diet Monitoring: Awareness and Perception among Women” in the National Seminar Re-envisioning Higher education-Digital pathways towards Viksit Bharat 2047 organized by Osmania University in collaboration with EMRC, on March 12 & 13, 2026.
21. Ms. Adiba Farah had presented a Paper titled “Relationship between Food Delivery App usage and Dietary Quality among young adults” in the National Conference-Women Led Development:” Pathways to Inclusive, Sustainable & Equitable Growth”

- organised by De Paul College, Balagola in association with Centre for Women Studies and Research, Mandya University on March 14 & 15, 2026.
22. Ms. Zainab Begum had presented a Paper titled “Analysis of Added and Hidden Sugars in ‘Healthy’ Packaged foods and Consumer awareness regarding Sugar content” in the National Conference- Women Led Development:” Pathways to Inclusive, Sustainable & Equitable Growth” organised by De Paul College, Balagola in association with Centre for Women Studies and Research, Mandya University on March 14 & 15, 2026.
 23. Ms. Zoobia Tarannum had presented a Paper titled “Evaluation of Nutrition & Media Literacy among educators in the Digital age” in the National Conference- Women Led Development:” Pathways to Inclusive, Sustainable & Equitable Growth” organised by De Paul College, Balagola in association with Centre for Women Studies and Research, Mandya University on March 14 & 15, 2026.
 24. Ms. Safa Afreen had presented a Paper titled “Truth Vs Reality of ‘No Preservative’ Labels: A consumer Survey and Laboratory Verification Study in Hyderabad” in the International Conference- Bio Convergence & Next -Gen Food Systems: Towards Sustainable Nutrition and Global Food Resilience organized by Amity University, Noida on March 17 & 18, 2026.
 25. Ms. Sofia Samreen had presented a Paper titled “Impact of sprouting, fermentation and thermal processing on mineral bio accessibility and phytate reduction in eleusine coracana” in the International Conference- Bio Convergence & Next -Gen Food Systems: Towards Sustainable Nutrition and Global Food Resilience organized by Amity University, Noida on March 17 & 18, 2026.
 26. Ms. Sri Anisha had presented a Poster titled “Development and nutritive evaluation of green leafy nacho chips” in the International Conference- Bio Convergence & Next -Gen Food Systems: Towards Sustainable Nutrition and Global Food Resilience organized by Amity University, Noida on March 17 & 18, 2026.
 27. Ms. Vaishnavi had presented a Paper titled “Dual Fortification of Vitamin C And Iron in the Corn Starch– A Functional Food Ingredient” in the International Conference- Bio Convergence & Next -Gen Food Systems: Towards Sustainable Nutrition and Global Food Resilience organized by Amity University, Noida, on March 17 & 18, 2026.
 28. Ms. Santhosh Kumari had presented a Paper titled “Application of dietary index for gut microbiome in assessing the dietary pattern and glycemic health of miyapur residents, India” in the International Conference on Synergy in science: Integrating Diverse Disciplines for Sustainable Technological Evolution 2026 organized by Little flower degree college Uppal on March 25 & 26, 2026.
 29. Shria Puppala, Khadija Suhail, R. Venkata Sai Aakanksha, has presented a paper titled

“Phytochemical Screening of Medicinal Plants- A review of Bioactive Compounds and Therapeutic properties” in the First International Conference on “Innovations in Medicinal plants and Natural products research organised by Telangana Medicinal Plants Board, Hyderabad and RBVRR Women’s College, Hyderabad from February 12-14,2026.

30. Ms. Bellamkonda Tejaswinin Reddy Presented a paper under the guidance of supervisor Dr. Jyothi Rani on “A study on Gestational Diabetes Mellitus and the use of Artificial Intelligence and its Management” in a Two Day National Conference on “The Future of Life Sciences: Integrating computational Intelligence and Biological Research “-FLSICIBR-2026 conducted on 5 th & 6th March, 2026.
31. Ms. Ganta Keerthi Reddy Presented a paper under the guidance of supervisor Dr. Jyothi Rani on “Clinical and computational study of PCOD and PCOS: symptom, causes and AI assisted Management” in a Two Day National conference on “The Future of Life Sciences: Integrating computational Intelligence and Biological Research “-FLSICIBR-2026 conducted on 5 th & 6th March, 2026.
32. Dosapati Pallavi participated in oral presentations on Bioprospecting Traditional Indian Fermented Foods for Novel Probiotic Strains Through Functional and Molecular Characterization at the International Conference on Integrative Biotechnology for Global Impact- 2026(IBGI-2026) organised by the Department of Biotechnology, St Francis College for Women.
33. M. Kavya participated in oral presentation on Green Synthesis and Therapeutic Evaluation of Sechium edule PeelMediated Silver and Zinc Nanoparticles at the International Conference on Integrative Biotechnology for Global Impact- 2026(IBGI-2026) organised by the Department of Biotechnology, St Francis College for Women.
34. Dominic Rachel participated in oral presentation on Biosynthesis and Therapeutic Evaluation Of Trichosanthes Dioica Peel-Mediated Silver And Zinc Nanoparticles at the International Conference on Integrative Biotechnology for Global Impact- 2026(IBGI-2026) organised by the Department of Biotechnology, St Francis College for Women.
35. Lakhya Sharma participated in an oral presentation on Integrated analysis of physico-chemical and biological parameters in water quality assessment of Musi River at the International Conference on Integrative Biotechnology for Global Impact- 2026(IBGI-2026) organised by the Department of Biotechnology, St Francis College for Women

Faculty of Social Sciences and Arts:

1. Ms. T. Suzan Spurthi presented a paper in a National Seminar conducted on 13th & 14th October 2025 on the theme “Transforming India: Innovation, Challenges and

- Opportunities” organized by the Government Degree College, Chintapalli. (Affiliated to Andhra University)- funded by the PM-USHA scheme. (ISBN: 978-93-49022-36-2)
2. Ms. Rooman Deb had presented a paper titled Economic Assessment of Household waste management) in the National Conference-Viksit Bharat 2047 Strategies and Challenges organized by Nagarjuna Government College, Nalgonda on 8 th and 9 th January 2026.
 3. Ms. X. Stella Martina presented a paper titled “Cultural Identity in Sudha Murthy’s Dollar Bahu” in a Three Day International Conference on The Voice across Cultures: Innovation in Languages and Literacy Discourses by BEC, Andhra Pradesh held from 12th to 14th Feb, 2026. 12. Mr. Pushkar Raj presented a paper titled, 'Asserting Justice: Women's Resilience in Ancient Indian Literature' at a Two-Day National Seminar on Understanding India from Its Grounded Knowledge organised by Boi Aarot Publication.
13. Dr. Sinjini Bhattacharya had presented a paper titled "Narrating the Neighbourhood, Voicing the Global South: India's Diplomatic Relations with Maldives and Mauritius" in the International Conference "Changing Dynamics of India's Narrative Diplomacy" organised by the Department of International Relations, Shree Guru Gobind Singh Tricentenary (SGT) University, Gurugram on 25 & 26 February 2026.
14. Dr. L.Mangamma had presented a paper titled 'Dasharadhi Rangacharya 'Manavatha Navala' - Samajika Manaveeya Drukpadham' in the National Conference- 'Sahitee Murthula Sahitya Samalochana' organized by the department of Telugu, IIC Degree & P.G College, Vasavi Foundation, Khairatabad, Hyderabad on 10-09-2025.
15. Dr. L.Mangamma had presented a paper titled 'Potana Bhagavatam - Bhasha Naipunyam, Manasika Prabodham' in the National Conference- 'Telugu Sahityam - Bhasha Bodhana, Manovikasam' organized by G.G.R. Institute of Education and S.V.S. College in collaboration with Unnat Bharat Abhuyan, Narasapuram, West Godavari, Andhra Pradesh. on 10-10-2025.
16. Dr.L.Mangamma had presented a paper titled 'Vasili Vyakthitwa Vikasa Sheershikalu: Bhava, Ardha, Sabda,Prasa Layalu' in the International Seminar "Viswarshi Vasili Vagmayam- Drukpadhala Aviskarana" organized by organised by Dept. of Telugu, Madurai Kamajaru University, Madurai, Tamilnadu on October 9, 10 & 11, 2025.
17. Dr.L.Mangamma had Attend and presented a paper in the International Webinar on 'Dr.Vanguri Chitten Raju Rachanalu - Samagra Sahitee Visleshana' on 10&11 January, 2026 title ' Pravasa Telugu Sahiotya Vikasham - Dr. Vanguri chitten rahugari Patra'

organized by the dept. of Telugu, Madras Christian College & Madabhushi Sahitya Kala Parishath, Chennai, Tamilnadu

18. Ms.D. Rupali presented a paper titled "Gandhian Model of Human-Centric Management" at an International Seminar on Gandhism: Traditional to Contemporary Reflections, organized by Boi Aarot Publication Pvt. Ltd., West Bengal, on 9th November 2026. (Online)
19. Ms. D. Rupali presented a paper on the title: Information Dissemination as a Catalyst for Community -Based Biodiversity Conservation: A Case Study of Sangareddy District, Telangana, at the 9th India Biodiversity Meet 2026, organized by the Agricultural and Ecological Research Unit & Human Genetics Unit, Indian Statistical Institute, Kolkata, in Collaboration with Ratanlal Brahmacharya Memorial Foundation, West Bengal from 3rd - 5th February 2026
20. Ms.D. Rupali had presented a paper titled Good Governance and Institutional Innovations in India in a One-Day Multidisciplinary National Conference on the topic Changes in Contemporary Society: Challenges & Opportunities organised by the Faculty of Social Sciences, R.B Attal College, Georai, Maharashtra, on 26th February 2026
21. Ms. D. Rupali had presented a paper titled Good Governance before Modernity: understanding IKS as a lost Administrative Framework in a One-Day National Seminar on the topic Indian Knowledge System and Indian Texts organized by the Department of Sanskrit, Asansol Girls' College, in collaboration with T.D.B. College, Rnigunj, West Bengal, on 27th March 2026
22. Dr.Vinitha K V had presented a paper titled 'Evaluation and Impact Analysis of The Amrut Scheme in the Urban Local Bodies of Telangana State' in the National Conference organized by BOI Aarot Publication online on 1 February, 2026
23. Dr. Sirisha had presented a paper titled Economic Assessment of house hold waste segregation and Recyclers in Hyderabad (Working paper) in the National seminar "Viksit Bharat @ 2047: The Strategies and Challenges" organised by Nagarjuna Government College Nalgonda, Telangana. On 8th and 9th January 2026.
24. Dr Alice David Presented a paper titled Science and technology in examination and assessment in Indian Education system in an International Conference on Advances in Science and Technology organised by St Aloysius College, Kerala on 22nd and 23rd January 2026.
25. Dr Alice David Presented a paper titled "Epistemological rejuvenation positioning Indian Knowledge System as a Catalyst for Holistic Education" in a National seminar "Blending Heritage with Innovation" organised by St Ann's College for Women, Mehdipatnam. On 14th and 15th February,2026.

26. Dr Alice David Presented a paper titled “Industry and Student perspective on graduate job readiness – implication for talent management and leadership pipeline” in an “International Conference on Business Innovation and Transformation” organised by Christ University , Bangalore on 18th and 19th February, 2026.
27. Ms J Sameera Sandhya had presented a paper titled “Les strategies discursive de l’enseignant de FLE en classe virtuelle” in the International Conference- “Language, culture and world peace” on 28th and 29th November 2025 organised by Centre for Global languages, Bengaluru city university.

Students of Social Sciences:

1. Ms. Kaushani Chatterjee presented a paper titled Roots in Transition at two day national seminar Mapping Regional Histories- Power, Identity and Culture conducted on 12-13 June 2025 and organised by the Department of History, OU.
2. Pavana Sree Donakonda, Final Year, Public Administration, presented a paper on Dynamics of Social Justice from the Perspective of Caste and Gender: A Study in the National Seminar on India - its Different Perspectives, organized by BOI Aarot Publication, on 1st February 2026
3. Gayathri Kuttum, Second Year, Public Administration, presented a paper on A Study on PMAY (Urban): Prospects and Challenges in the National Seminar on India - its Different Perspectives, organized by BOI Aarot Publication on 1st February 2026
4. Pavana Sree Donakonda, Final Year, Public Administration, presented a paper on “Gram Swarajya in Practice: A Case Study of Gangadevapalli Village through Gandhian and Indigenous Knowledge Frameworks” in the seminar on “Understanding India from its Grounded Knowledge” organized by BOI Aarot Publication, West Bengal, on 29th March 2026.
5. Konda Pragna, Final Year, Public Administration, presented a paper on “An IKS-Based Analysis of Kautilya’s Welfare Governance (Lok Kalyan): Contemporary Relevance” in the seminar on “Understanding India from its Grounded Knowledge” organized by BOI Aarot Publication, West Bengal, on 29th March 2026.
6. Nakshatra Jaiswal, Final Year, Public Administration, presented a paper Ancient Wisdom, Artificial Minds: Lessons from IKS for the age of AI in the seminar on “Understanding India from its Grounded Knowledge” organized by BOI Aarot Publication, West Bengal, on 29th March 2026.
7. Adhira Chathnath and Catherine Sarah Sajan, First Year, Public Administration, presented a paper on “Ayurveda in Kerala: Preserving Indigenous Knowledge through Medicine, Cuisine and Sustainable Living” in the seminar on “Understanding India from its Grounded Knowledge” organized by BOI Aarot Publication, West Bengal, on 29th

1. Dr. Saritha Aduri has been awarded The best paper at the International Conference of Green Chemistry and Nanotechnology , Health environment and beyond Green Nano 2025 for the topic “Microwave assisted synthesis, characterization and antibacterial activity of Schiff bases derived from Pyridoxal hydrochloride” on 24th and 25th July,2025 and it was recognized as a significant contribution to the field.
2. Dr. Shikha Chander has been awarded The best paper at the International Conference of Green Chemistry and Nanotechnology , Health environment and beyond Green Nano 2025 for the topic “Sustainable synthesis and functionalisation of activated carbon from pistachio shells” 24th and 25th July,2025 and it was recognized as a significant contribution to the field.
3. Dr. Shikha Chander successfully completed the SFC Minor Research Project titled “Activation of Carbon derived from Shell materials”on 4th September, 2025.
4. Dr. M. Bhargavi has been assessed by the SFC Research Committee and approved for

- Financial support under the SFC Minor Research Grant scheme. The title of the work is “Molecular docking and DFT studies of anti-cancer agents” on 5th September, 2025.
5. Dr. B. Uma Rani has been assessed by the SFC Research Committee and approved for Financial support under the SFC Minor Research Grant scheme. The title of the work is “Floral Offerings as Multifunctional Resources: A Spectroscopy-Guided and AI-Driven Approach to Bioenergy Harvesting and Material Utilization” 4th September, 2025.
 6. Dr. M. Bhargavi has successfully completed the Skill Development Program On “Phytochemical Techniques” at CSIR-IICT, Hyderabad from 4th August to 8th August 2025.
 7. Dr. B.Prashanthi was awarded Doctoral Degree upon successful completion of her Ph.D. in “Synthesis, Characterisation, Biological Assessment and Docking Studies of Indole, Pyrazolo [1,5-a] Pyridine and Fmoc Protected D-Serine Derivatives” from Mahatma Gandhi University, Nalgonda, Telangana on 18th March, 2026.

Students:

1. Ms. B Madhavi, Ms. T. Savitha, Ms. Vaishnavi, Ms. Sarah Aakifeen, Ms. P. Sanjana of M.Sc Organic Chemistry was awarded 2nd prize in the Quiz Competition, during “Bridging Chemistry and technology : A 3 day Practical Workshop on Analytical techniques & Chemistry softwares" at MNR PG college , from 23rd July to 25th July 2025.
2. Ms Vaishnavi and team of M.Sc organic chemistry was awarded 2nd prize in the poster presentation in the Intercollegiate competition at Department of chemistry, Govt degree college , Begumpet.
3. Ms. B Madhavi, Ms. Vaishanvi, Ms. P. Sanjana, Ms. Savitha, Ms Varshini of M.Sc Organic Chemistry was awarded 2 nd prize in the Poster Presentation, during “Bridging Chemistry and technology : A 3 day Practical Workshop on Analytical techniques & Chemistry softwares" at MNR PG college , from 23rd July to 25th July 2025.
4. Ms. Veena. K. of M.Sc Organic Chemistry was awarded The best paper at the International Conference of Green Chemistry and Nanotechnology , Health environment and beyond Green Nano 2025 for the topic “Microwave assisted synthesis, characterization and antibacterial activity of Schiff bases derived from Pyridoxal hydrochloride” and it was recognized as a significant contribution to the field at RBVRR college, Narayanaguda during 24 and 25 July, 2025.
5. Ms B. Varshini, Ms P. Poojitha of M.Sc Organic Chemistry has attended the “Summer Research Programme 2025” organized by Department of Chemistry, Ecole Centrale School of Engineering, Mahindra University, Hyderabad from June 15th to July 25th

2025.

6. Ms. K. Harshitha Reddy, Ms. Pranithya Kavury, Ms. Shalini Bathula from Bt.BC.C 3rd year has successfully completed a workshop on Hands basics of Molecular Biology conducted by Manna Biotech during 2nd August and 3rd August.
7. Ms. Pranithya Kavury, Ms. Shalini Bathula from Bt.BC.C 3rd year has successfully completed a 2 days workshop conducted by Manna Biotech during 26th July to 27th July 2025 on Cancer Genomics.
8. Ms. Manasa from Bt.BC.C 3rd year participated in the bookmark competition conducted by Shastr club.
9. Ms. Manasa from Bt.BC.C 3rd year successfully completed the theater workshop conducted by Ms. Dimple Ramchandani on 22nd August 2025.
10. Ms. Manasa from Bt.BC.C 3rd year successfully completed the workshop on Drug Discovery and Development from 28-31st August 2025 at the University of Hyderabad.
11. Ms. Manasa from Bt.BC.C 3rd year successfully completed the Summer Research Internship program for two months from the University of Hyderabad.
12. Ms. Anireddy Nikhitha of B.Sc BTMBC 3rd year was given Best Oral Presentation Award at 62nd Annual Convention of Chemists & International Conference titled "Net Zero Goal & Sustainability: Role of Chemical Sciences in Green Energy, Circular Economy, and Prosperity of India" on the topic "Synthesis, Antibacterial and Antioxidant Activities of Fe(II) Complexes of Amino Acid-Derived Schiff Bases: A Combined Experimental and Computational Study" at Madras Christian College (Autonomous), Chennai, Tamil Nadu during 18-20 December, 2025.
13. Ms. Vadluri Vasavi of M.Sc. Organic Chemistry gave an oral presentation at 62nd Annual Convention of Chemists & International Conference titled "Net Zero Goal & Sustainability: Role of Chemical Sciences in Green Energy, Circular Economy, and Prosperity of India" on the topic "Microwave-Promoted Knoevenagel Condensation and Computational Evaluation: DFT and Docking Insights" at Madras Christian College (Autonomous), Chennai, Tamil Nadu during 18-20 December, 2025.
14. Ms. Bejju Madhavi of M.Sc. Organic chemistry gave an oral presentation at 62nd Annual Convention of Chemists & International Conference titled "Net Zero Goal & Sustainability: Role of Chemical Sciences in Green Energy, Circular Economy, and Prosperity of India" on the topic "Design, Synthesis and Biological Evaluation of New Series of Ni (II), Cu (II) and Co (II) Complexes of 4-amino indane Derived Schiff Bases: A Computational Study" at Madras Christian College (Autonomous), Chennai, Tamil Nadu during 18-20 December, 2025.
15. Ms. P. Sanjana has been offered a paid internship at DRDO, Gwalior for a duration of

6 months on 20 December,2025.

16. Ms. Aashritha Athmakur, Ms. Sahaya Emilyn Stanica, Ms. Rohini Purimetta, Ms. Chennai Harshitha, Ms. Sanskriti Kumari, Ms. Girida Jyotsna, Ms. Koojitha Janga of B.Sc. III Year has successfully completed an industrial training programme on quality control and quality assurance at DSN Labs, Nacharam on 24th January 2026.
17. Ms. Ardha Sathvika and Ms.P. Shivani have attended the 2nd International conference on Sustainable science and technology for tomorrow organised by the school of sciences, Woxsen university Hyderabad from 8 to 12 December, 2025.
18. Ms. Sanskriti Kumari of B.Sc. III Year has presented a poster titled "In Silico Identification of Potential EGFR Inhibitors Using Virtual Screening, Molecular Docking and DFT Studies for Cancer therapy" in the international conference at RBVRR College during 12-14 February, 2026.
19. Ms. E. Bhargavi has presented a poster titled "Structure-Based Identification Of Novel PFKFB3 Inhibitors for Anticancer Drug Discovery" in the International conference at RBVRR College during 12-14 February, 2026.
20. Ms. Manasa kola has participated in the Two-Day National Workshop on "AI & ML Driven Drug Discovery and Design" organized jointly by the Department of Chemistry, University College of Science, Osmania University, Hyderabad and University of Hyderabad under the ANRF-PAIR Programme, supported by the Anusandhan National Research Foundation (ANRF) on February 12-13, 2026 at the Department of Chemistry, University College of Science, Osmania University, Hyderabad.

UBA

As part of the Unnat Bharat Abhiyan (UBA) initiative, St. Francis College for Women continued to actively implement village development activities during the academic year 2025–2026, demonstrating its commitment to community engagement and rural development. The programme commenced with the Department of Social Sciences conducting the 8th Village Development Activity on 9th July 2025 across four Thandas Erdanoor, Vaddenaguda, Ippalagadda and Kandi Thanda in Sangareddy district. A total of 62 students and 5 faculty members participated in this outreach programme, focusing on social awareness, health, hygiene and overall community well-being. The initiative aimed to bridge the gap between academic learning and rural realities through experiential learning and community service. The programme

included several impactful activities such as a Nutritional awareness session, plantation drive, and a thematic dance skit on mental health to create awareness about the adverse effects of alcohol abuse. Additionally, skits on Balika Samridhi Yojana and domestic violence were performed in the local language, enhancing community understanding, participation, and

awareness of social issues and welfare schemes. The 9th Village Development Activity was organized on 9th October 2025 by Spectrum Club at Vaddenguda Thanda with a focus on health awareness and medical outreach. In collaboration with Medivision Eye Care Center, an Eye Camp was conducted with the support of one ophthalmologist, seven optometrists and 18 students and 3 faculty members from spectrum club. Over 80 villagers benefited from free eye check-ups, and follow-up care included the distribution of spectacles and eye drops. Several critical cases, including cataract, glaucoma, and other eye-related conditions, were identified and referred to Sarojini Devi Eye Hospital, Hyderabad, for further treatment. Alongside, a Protein Diet Awareness Drive was conducted to educate children on balanced nutrition and preventive health practices. The 10th Village Development Activity was organized on 26th March 2026 by Arista, the student club of the Department of BMS, in Erdanoor and Ippalagadda villages. A team of 13 student volunteers, along with faculty coordinators, conducted comprehensive socio-economic and health-related surveys among both adults and children. School-based surveys assessed awareness on hygiene, nutrition, and personal safety, while door-to-door surveys addressed issues such as waste management, sustainability, government welfare schemes, domestic violence, and girl child education under the Beti Bachao, Beti Padhao campaign. This initiative provided students with practical field exposure while contributing to community awareness. The 11th Village Development Activity was conducted on 1st April 2026 by the Department of B.Voc in collaboration with the student clubs Voctalent and COFFEE at Kandi Thanda and Vaddenaguda Thanda. A total of 25 students and 2 faculty members participated in this field visit, focusing on socio-economic and health survey feedback based on previous outreach activities. The visit enabled the assessment of the impact of earlier interventions and facilitated continued engagement with the community. Overall, the UBA activities carried out during the academic year significantly contributed to enhancing community awareness in areas such as health, nutrition, environmental sustainability, and social issues. The initiatives fostered meaningful community participation, strengthened student learning through field exposure, and reinforced the institution's commitment to inclusive development and social responsibility.

XXIV. DBT

The DBT Star College Scheme Annual Progress Report (2025–26) for St. Francis College for Women highlights significant academic and research advancements across eight science departments during the assessment period. The initiative strengthened laboratory infrastructure, enhanced practical learning, and promoted interdisciplinary exposure through projects, workshops, guest lectures, and field visits. A total of 51 student projects were completed in diverse areas such as molecular biology, phytochemistry, hydroponics,

nanoparticle synthesis, computational studies, and environmental analysis, providing hands-on research experience. Additionally, 33 guest lectures and workshops, 9 training programmes, 11 field trips, and one outreach activity were conducted, collectively improving technical skills, industry exposure, and research aptitude among students and faculty. These efforts contributed to improved academic output, increased collaboration with research institutions, and strengthened experiential learning opportunities.

The report also emphasizes qualitative improvements such as enhanced research culture, practical application of theoretical concepts, and entrepreneurial skill development through training in areas like tissue culture, product development, and sustainable practices. Outreach initiatives, including the GLEE programme, promoted scientific temper among school students through live experiments and demonstrations. Overall, the DBT support played a pivotal role in fostering research-oriented learning, strengthening institutional capacity, and enhancing student skill development across departments.

XXVI. FRANCISIAN INITIATIVES FOR SOCIAL TRANSFORMATION (FIST) – DAAN UTSAV, COMMEMORATIVE DAYS, NATIONAL FESTIVAL

DAAN UTSAV

St. Francis College for Women organizes a Social Outreach Program every year in the month of December. It has been a practice to involve every student of the college in this initiative and help them experience ‘Joy of Giving’ by reaching out to the needy. DAAN UTSAV is a week-long celebration of connecting with the less fortunate by offering them help either in cash or kind. The key objective is to develop the value of ‘reaching out to the underprivileged’ among the students. Every class is expected to visit an institution to provide aid and spend time with the inmates. As a practice this year we’ve visited places like Auxilium Nava Jeevan Orphan Home, Don Bosco Nava Jeevan Child Care Centre, Mother Teresa Home, Nirmala Shishu bhavan, Asha Kuteer Orphanage etc., and to name a few.

The visit was scheduled from 5th to 13th December for UG I, II & III year and PG students. Respective class Mentors along with a few faculty members accompanied their respective classes to their place of selection for the visit. Students felt really grateful for the opportunity given by the college since they got a chance to impact the lives of the under-privileged through their collective effort.

2. Soon after, the Ice Breaker event held on 24th July in Capitanio Hall energized the academic year with enthusiasm and warmth. The event introduced students to the vision and mission of Shastr through engaging presentations, performances, interactive games, and an open mic session that encouraged creative expression. The celebration concluded with a lively DJ session, strengthening bonds and building a strong sense of belonging among members.
3. Shastr was also warmly introduced to first-year students during the Student Induction

Program on July 10th. Through interactive games and dynamic stalls such as a photobooth, book swap table, and confession stand, the club created an engaging and welcoming environment for newcomers, emphasizing its dedication to sustainability and reading culture.

4. **National Reading Day** celebrations further reinforced this mission by promoting lifelong learning and honoring Shri P. N. Panicker, the Father of the Library Movement in India. The event welcomed faculty and students from various colleges, offered campus tours, showcased books across genres, and highlighted academic programs. The initiative successfully rekindled students' enthusiasm for regular reading and intellectual exploration.
5. The Library Day celebration on 11th and 12th August filled with creativity and learning. Activities included Bookmark Making and Best Out of Waste competitions, inspiring innovation and sustainability. A major highlight of the celebration was the insightful guest lecture in collaboration with Department of Mathematics by Ms. Joyce Walters on the theme *"Rooted Dreams: A Journey of Self Love, Strength and Intentional Living."* Her session inspired students to embrace self-awareness, resilience, and purpose-driven living. Engaging stalls added excitement and entrepreneurial spirit, while the Cosplay Competition showcased imagination and performance skills. The celebrations concluded with a valedictory ceremony appreciating the efforts of participants and organizers.
6. A significant highlight of the year was SCI Trail, organized by Spectrum Club on 4th December, as a part of an open-house literary and academic outreach event. Students from St. Francis Junior College, Saddam Junior College, and Keys Junior College visited the campus to explore the library and participate in a vibrant book expo. Designed as an immersive experience, the event allowed visiting students to tour the library facilities, discover diverse genres, and purchase books of their choice. SCI Trail strengthened inter-institutional relationships while promoting a culture of reading and intellectual curiosity among young learners.
7. On the same day, 4th December, Department of Computer Science in collaboration with Shastr hosted an impactful guest lecture by Mr. Vishal Parikh on the theme *"Digital Transformation and Losing Jobs to AI."* The session addressed the rapidly evolving technological landscape and the growing influence of Artificial Intelligence in the workplace. Mr. Parikh emphasized the importance of adaptability, continuous skill development, and digital literacy to remain relevant in an AI-driven world. The discussion encouraged students to view technological disruption not as a threat, but as an opportunity to upskill and innovate.

8. On 19th December 2025, Shastr in collaboration with the Department of French hosted another enriching guest lecture by Ms. Rubina Virani Madhani on the thought-provoking theme “*A Degree Gives You Foundation. A Foreign Language Gives You a Global Identity.*” The session emphasized the importance of multilingualism in today’s interconnected world and encouraged students to expand their horizons beyond academic qualifications. Her address highlighted how language skills can open global opportunities, foster cultural understanding, and build confidence in international spaces.
9. Cinema became a medium of connection during the movie screening of *Zindagi Na Milegi Dobara* on 10th September at Gerosa Hall. The event provided students with a refreshing break while fostering reflection, laughter, and camaraderie, strengthening the sense of community within the campus.
10. One of the flagship events of the year was “Talaash,” a horror-themed escape room challenge organized in collaboration with Club Arista on 10th January. With participation from nearly 30 teams representing reputed institutions, the event demonstrated strong inter-college engagement. Structured in two competitive levels with uniquely designed escape rooms, Talaash tested teamwork, critical thinking, and presence of mind. The event concluded successfully with certificate distribution and widespread appreciation.
11. Extending learning beyond campus, Shastr organized a four-day educational trip to Pondicherry. Students explored Auroville’s sustainable community model, experienced the ecological richness of the Pichavaram Mangrove Forest, visited the historic Chidambaram Nataraja Temple, and observed the Indo-French cultural heritage of White Town. The trip enriched students’ understanding of environmental conservation, multiculturalism, and heritage preservation.
12. Social responsibility remained central to Shastr’s activities. As part of Daan Utsav celebrations, club members visited Asha Kiran Children’s Home in Trimulgherry on 12th December. Shoes and snacks were distributed to the children, and the interaction created a heartwarming festive atmosphere. The visit strengthened the spirit of generosity, compassion, and community service among students.
13. The Shastr Club concluded the year with a valedictory ceremony that included felicitation of the department and club members, a recap of the year’s activities, and the announcement of the annual newsletter. The event recognized the Best Staff of the Year and concluded with group photographs, refreshments, and gift hampers for club members in appreciation of their contributions.

ROTRACT

The Rotaract Club of SFC Hyderabad Pearls had a vibrant and impactful year filled with fellowship, awareness, and meaningful community engagement. The academic year began with the club elections conducted by Rotaract faculty coordinators, Dr. Sony and Ms. Lily Kansal. The newly elected core committee was officially installed during the Installation Ceremony held on 12th August 2025, in the presence of district Rotaract members.

To warmly welcome new members, an icebreaker session was organized on 23rd August for first-year students, encouraging interaction and bonding with senior members. Promoting health awareness was a key focus of the club. On 29th August, a guest lecture by Rtn.Chakraborty enlightened students on health-related concerns. This was followed by a Health Check-up Camp on 11th September for over 80 non-teaching staff members, which included blood tests, eye check-ups, and the distribution of spectacles. The Rotaract club won The Best service project in the District for the same. The award was given in the District Rotaract event Fiesta on March 29, 2026.

The club also actively participated in cultural and festive events such as the Dandiya Dhamaal workshop and the Dhoom Dhamal session, fostering team spirit and enthusiasm among members. Social awareness initiatives included participation in the Cancer Awareness Run on 12th October and a guest lecture on sickle cell anaemia conducted on 3rd December by

members of the Blood Warrior Camp.

The club was recognized with the Highest Membership Award at Éclésia on 7th December and successfully raised ₹19,000 during Daan Utsav for charitable causes. In February, under the Value of the Month – Respect for Others, members organized a poster-making activity and conducted an assembly emphasizing empathy and mutual respect. Rotaract club won second prize with 3000/- cash on Annual college day for the value of the month activity. The month also featured a movie screening fundraiser and a guest lecture on PCOD and breast health by gynecologists from Swapna Healthcare.

All activities were effectively coordinated under the guidance of the faculty coordinators, Dr. Sony and Ms. Manisha, making the year enriching and impactful for all members.

RANGERS

The Rangers wing at college witnessed a vibrant series of student activities during the academic year 2025–26, reflecting the motto of Bharat Scouts and Guides. Students actively participated in the Global Grace Cancer Run 2025 held at Gachibowli Stadium on 12 October 2025. Through the 2K and 5K run categories, participants not only promoted fitness and mental wellness but also supported cancer awareness and free treatment for underprivileged patients, making the event both meaningful and inspiring. The Rangers Club also organized a one-day Rangers Camp on 29 November 2025 on campus, engaging around 70–80 students in games, rope-knotting techniques, V-formation practice, and an investiture ceremony. The camp successfully fostered teamwork, leadership, quick thinking, and scouting skills in an enjoyable learning environment. Adventure and experiential learning came alive through the Educational Trek to Lonavala from 4 to 7 September 2025. Students explored Lohagad Fort, Dudhiware Waterfalls, and Mapro Garden, while also enjoying a lakeside stay at Pawna. The trek strengthened confidence, teamwork, communication, and appreciation for heritage and nature. Earlier in the year, the International Yoga Day Celebration on 21 June 2025 highlighted the importance of physical, mental, and emotional wellness. Students practised yoga asanas and pranayama, gaining awareness of mindfulness and healthy living. Together, these events enriched campus life by nurturing compassion, discipline, resilience, and community spirit among students.

XXXIX. ORBITUARY

Ms. Susai Mary – Non Teaching Staff, Dept of Sports.

Ms. Susan

You will always be remembered and cherished in our hearts.

We mourn the loss of our dear colleague, Ms. Suzan and pay tribute to a life marked by kindness, dedication, and service.

Most loved and admired by Computer Science and Sports departments, “Susan”, as she was fondly called, fought every breath against life threatening ailments, yet wore her energy and smile until her final day. Her resilience inspired us all.

Though not an athlete herself, she was a constant source of support and encouragement to students and staff alike. Her warm smile, approachable nature, and willingness to help made her a beloved presence in our institution. She carried out her responsibilities with sincerity, patience, and unwavering commitment, earning the respect and affection of everyone who had the privilege of knowing her.

While we deeply mourn her passing, we remain grateful for the memories she leaves behind. Her legacy lives on in the lives she touched and the countless moments she helped make possible. She will be fondly remembered and greatly missed.

May her soul rest in peace.

XXXX. CONCLUSION

In conclusion, the Annual Report of St. Francis College for Women for the academic year 2025–26 stands as a reflection of a vibrant and purposeful year, marked by the institution’s unwavering commitment to the holistic empowerment of young women. It brings together the milestones, accomplishments, and collective endeavors of the management, faculty, and students, highlighting a learning environment that nurtures intellectual curiosity, resilience, leadership, and social responsibility. As the college moves forward, it continues to reaffirm its mission to shape women who are not only academically proficient but also confident, compassionate, and equipped to engage thoughtfully with the complexities of a changing world.
