The date is 5<sup>th</sup> Dec 2025, and the time is 9:00 am – 5:00 pm. The location is Capitanio Hall. At the bottom, it identifies the convenor as Dr. Tabitha Ramona, Head, Dept. of Nutrition, and the faculty coordinator as Dr. Durga Nandini, Asst. Professor. The brochure includes icons for a calendar, a clock, a location pin, and a warning sign.

The Department of Nutrition had organized a One day Workshop on **FOSTAC (Food Safety Training and Certification)** for the UG and PG students of Nutrition. The event was attended by 5 faculty members & 44 students. The resource person for the same was Dr. Y Rajkumar, Ex-tech officer, FSSAI FosTac, NSDC Trainer and was organised by Mr. Vikas K, Asst. Manager, EDII.

### Objectives –

- To help students understand food safety regulations and learn principles of safe food handling
- To Educate how to prevent food contamination and safe food preparation techniques
- To Educate students and prepare them for compliance audits and build competence
- To Understand basics of hazard analysis and critical control points (HACCP).

### **Outcomes of the Event:**

- Enhancing knowledge of food safety and improved hygiene and handling practices.
- Competence in safe food preparation and also for better documentation and record-keeping skills.
- Preparedness for food safety audit and increase confidence in students to work in food industry.
- Upon successful completion, each student was awarded an official certificate from FSSAI, demonstrating their proficiency in food safety practices.
