is Organising a  
Field visit to  
**Laboratory for the Conservation of Endangered Species (LaCONES)**  
Hyderabad

Attendees : B.Sc Biotechnology Final Year students

18<sup>th</sup> December, 2025 10:00 am to 4:00 pm

Under the **DBT STAR COLLEGE** Scheme (Strengthening Component), The Department of Biotechnology had organized a field visit for final year B.Sc. Biotechnology students to Laboratory for the Conservation of Endangered Species (LaCONES), Hyderabad on 18<sup>th</sup> December 2025 with 54 students and 2 faculty members. An expert lecture by Dr. Vinod Kumar outlined the objectives, research activities, and conservation initiatives at LaCONES.

### Objectives:

To assist students

- In understanding the application of advanced techniques such as DNA fingerprinting, pedigree analysis, and the development of a universal primer for rapid species identification.
- In developing a sustainable biosystem and biosphere through scientific intervention
- In comprehending In vitro fertilization (IVF), cell banks, and cloning technologies.

BIOTECHNOLOGY**

## Outcomes

The students will have

- Understanding of the role of scientific research in wildlife conservation.
- The know importance of ethical human conduct in maintaining ecological balance
- The knowledge of the role of Biotechnological tools in wild life conservation
