ACADEMIC YEAR 2025 – 2026

Report on field visit to BITS-Pilani, Hyderabad

Date: 28.07.2025

Time: 8.00 am to 4:00 pm

Brochure

The brochure features a background image of the BITS-Pilani campus. It includes the St. Francis College for Women logo and name in the top left, and the Department of Biotechnology logo in the top right. The central text reads: 'DBT STAR COLLEGE (Under Strengthening Component) DEPARTMENT OF CHEMISTRY Organizes a Field Visit to Birla Institute of Technology & Science (BITS), Hyderabad'. Below this, it states 'Attendees : B.Sc. Final year Students'. The bottom purple banner contains the date '28th July, 2025' and the time '8:00 am to 4:00 pm'.

The Department of Chemistry, St. Francis College for Women organized an educational visit to BITS Pilani, Hyderabad Campus on 28th July 2025. The event was scheduled for a total of 51 students from M.Sc. and B.Sc. Final year. The faculty members Ms. K. Karuna and Dr. B. Uma Rani accompanied the students.

Objective

- To motivate students to pursue higher education and research careers in science.
- To familiarize students with cutting-edge technologies, advanced instruments, and modern research techniques.
- To enhance students' awareness of emerging research opportunities and current trends in scientific innovation.

Outcome

- Students gained a deeper understanding of advanced research infrastructure, laboratory facilities, and modern instrumentation used in higher education and research institutions.
- The field trip motivated students to pursue higher studies and research careers in chemistry and allied sciences by exposing them to real-world research environments.
- Interactions with faculty members, alumni, and research scholars provided valuable insights into academic pathways, research culture, and opportunities in scientific research.
