ACADEMIC YEAR 2025 - 2026

Report on an online Alumna talk on “Catalysing Your Career”

Date: 10.03.2026

Time: 10.30 am to 11.30 am

Brochure

The brochure features a light blue background with a subtle watercolor effect. On the left, the St. Francis College logo and name are displayed. Below this is a circular portrait of Ms. Misbah Fatima Hussain, a woman wearing a black hijab and a yellow and white striped shirt. To the right of the portrait, her name and title are listed. In the center, the text 'DBT STAR COLLEGE (Under Strengthening Component)' is written in bold, followed by 'Department of Chemistry' in a large, blue font. Below this, it says 'organizes an Online Alumna talk on' and 'Catalysing your Career' in a red box. On the right side, the date and time '10<sup>th</sup> March, 2026 10:30 am to 11:30 am' are shown next to a calendar icon, and the location 'Capitanio Hall' is shown next to a location pin icon. At the bottom center, there is an icon of three people and the text 'For B.Sc. 3A Students'. The Department of Biotechnology logo is in the top right corner.

For B.Sc. 3A Students

The Department of Chemistry under the DBT Star College (Strengthening Component) organized an alumna talk on “Catalysing your Career” on March 10th, 2026. The session was planned for the B.Sc. III A students. The resource person was **Ms. Misbah Fatima**, Ph. D Scholar, Sustainable Geochemistry and Mineral Sciences, Research Group, School of Math, Statistics, Chemistry and Physics, Murdoch university, Perth, Australia. About 50 students and faculty members attended and actively interacted with the speaker, making the event highly engaging and informative.

# DEPARTMENT OF BIOTECHNOLOGY

### Objectives

- To provide insights into career opportunities and pathways in chemistry.
- To guide students on skill development, higher studies, and industry readiness.
- To inspire and motivate students through real-world experiences of an alumna.

### Outcomes

- Students gain awareness of diverse career options in chemistry.
- Students understand the importance of skills, internships, and higher studies.
- Students feel motivated and better prepared to plan their career paths.
