The Department of Chemistry under the DBT Star College (Strengthening Component) organized a guest lecture on **“IPR Management for Start-ups and Regulatory Affairs & IP Management Training”** on August 18, 2025. The session was planned for the B.Sc. III B and III F students. The resource person was **Mr. Ashok Ram Kumar**, Senior Counsel and Founder & Senior Partner of Wordict-IPR. About 80 students and faculty members attended and actively interacted with the speaker, making the event highly engaging and informative.

Objectives

- To improve students' understanding of Intellectual Property Rights (IPR) and their fundamental concepts.
- To highlight the application of IPR in research activities and start-up enterprises.

Outcomes

- By the end of the two-hour session, students gained valuable insights into IP creation, protection, and commercialization, inspiring them to consider innovation and entrepreneurship as future career paths.
- The resource person Mr. Ashok Ram Kumar, who shared his expertise on the fundamentals of patents, copyrights, trademarks, designs, and geographical indications. He explained practical approaches to protecting innovations, highlighted regulatory requirements for start-ups, and offered guidance on managing IP portfolios effectively.
