ACADEMIC YEAR 2025 - 2026

Report on Industrial Training Program at DSN Labs

Date: 24.01.2026

Time: 10:00 am to 5:00 pm

Brochure

The brochure features a background image of a scientist in a lab coat and mask working in a laboratory. The text is overlaid on this image. In the top left corner is the St. Francis College for Women logo and name. In the top right corner is the Department of Biotechnology logo and name. The main text reads: 'DBT STAR COLLEGE (Under Strengthening Component) DEPARTMENT OF CHEMISTRY Organizes a Industrial Training on QC & QA at DSN Labs, Nacharam on 24th January, 2026 from 10:00 am to 5:00 pm'. The DSN Labs logo is also present. At the bottom, it lists the attendees as 'B.Sc. Final year Students' and the coordinators as 'Dr. Saritha Aduri, HOD - Chemistry' and 'Dr. M. Bhargavi, Assistant Professor'.

The Department of Chemistry conducted an industrial visit on 24th January 2026 to DSN Labs, IDA Industrial Area, Nacharam, Hyderabad. A total of 09 students along with one faculty member visited DSN labs as part of the industrial training Program on Quality Control (QC) and Quality Assurance (QA).

Objectives

- To gain practical exposure to QC and QA activities in an industrial environment
- To understand how quality systems, ensure product safety, reliability, and compliance
- To bridge the gap between theoretical knowledge and real-world quality practices
- To become familiar with laboratory equipment, calibration, and test procedures

Outcomes

- Gained exposure to real-time pharmaceutical laboratory environments
- Understood the role of analytical and QC laboratories in industries
- Learned the industrial application of GC, HPLC, MC, KF, and LOD
- Observed large-scale chemical production and waste management systems
- Connected theoretical concepts with practical industrial applications
