

ST. FRANCIS COLLEGE FOR WOMEN - HYDERABAD

ACADEMIC YEAR 2025-26

Annual Report

NAME OF THE DEPARTMENT: Biotechnology

1. WORKSHOPS CONDUCTED-

- The one-day workshop “Molecular Techniques” was conducted on August 28, 2025 by the department of Biotechnology. It was organised in collaboration with the Asian Institute of Gastroenterology, Hyderabad and attended by 45 students and 4 staff members
- A three-day workshop “DNA Fingerprinting” was conducted from December 18- 20, 2025 by the Department of Biotechnology. It was organised in collaboration with Genome Foundation, Hyderabad and attended by 47 students and 4 staff members.
- The one-day workshop “Decoding Biological Sequences: Alignment & BLAST Basics” was conducted on February 12, 2026 by the Department of Biotechnology and attended by 32 students and 4 staff members.

2. SEMINARS/CONFERENCE CONDUCTED-

- The International Conference “Integrative Biotechnology for Global Impact, IBGI-2026” was conducted on February 17, 2026 by the Department of Biotechnology and was attended by 150 students and 6 staff members.

3. WORKSHOP / SEMINAR ATTENDED (By the Faculty)

Ms. Shouni Niveditha

- Ms. Shouni Niveditha attended FDP “Recent trends in Education- Staying relevant as teacher in 2025” on June 09, 2025, organised by St. Francis College for Women.
- Ms. Shouni Niveditha attended FDP “The changing face of NAAC Accreditation- BAF & MBGL” on June 24, 2025, organised by St. Francis College for Women.
- Ms. Shouni Niveditha attended FEP “Beyond Borders: SUSI scholar & IVLP” on July 15, 2025, organised by St. Francis College for Women.
- Ms. Shouni Niveditha attended FEP on “Academic leadership” on August 20, 2025 organised by St. Francis College for Women.

- Ms. Shouni Niveditha attended virtual Hands-on workshop on “Molecular Docking and Analysis” from October 13-18, 2025 organised by Excel Education Services, Hyderabad.
- Ms. Shouni Niveditha attended FEP on “Professional Ethics” conducted on December 19, 2025 and organised by FDC& IQAC, St. Francis College for Women.
- Ms. Shouni Niveditha attended Seminar “The Big Bang Mystery- Understanding the cause and effect” conducted on February 20, 2026 and organised by IQAC, St. Francis College for Women.

Dr. Deepa Switha

- Dr. Deepa Switha attended FDP “Recent trends in education- staying relevant as a teacher in 2025” on June 09, 2025, organised by St. Francis College for Women.
- Dr. Deepa Switha attended FDP “The changing face of NAAC Accreditation- BAF & MBGL” on June 24, 2025, organised by St. Francis College for Women.
- Dr. Deepa Switha attended FEP “Beyond Borders: SUSI scholar & IVLP” on July 15, 2025, organised by St. Francis College for Women.
- Dr. Deepa Switha attended FEP on “Academic leadership” on August 20, 2025 organised by St. Francis College for Women.
- Dr. Deepa Switha attended FEP “Synergy for success” on September 10, 2025, organised by St. Francis College for Women.
- Dr. Deepa Switha attended Guest talk “Laudato Si” on October 08, 2025 organised by St. Francis College for Women
- Dr. Deepa Switha attended FEP on “Professional Ethics” conducted on December 19, 2025 and organised by FDC& IQAC, St. Francis College for Women.

Ms. Mini Fernandez

- Ms. Mini Fernandez attended FDP “Recent trends in Education- Staying relevant as teacher in 2025” on June 09, 2025, organised by St. Francis College for Women.
- Ms. Mini Fernandez attended FDP “Generative AI Tools for Smart Teaching” on June 06, 2025 to June 13, 2025, organised by AIACHE
- Ms. Mini Fernandez attended FDP “The changing face of NAAC Accreditation- BAF & MBGL” on June 24, 2025, organised by St. Francis College for Women.
- Mini Fernandez attended FEP “Beyond Borders: SUSI scholar & IVLP” on July 15 2025, organised by St. Francis College for Women.

- Ms. Mini Fernandez attended FEP on “Academic leadership” on August 20, 2025 organised by St. Francis College for Women.
- Ms. Mini Fernandez attended FEP “Synergy for success” on September 10, 2025, organised by St. Francis College for Women.
- Ms. Mini Fernandez attended FEP on “Professional Ethics” conducted on December 19, 2025 and organised by FDC& IQAC, St. Francis College for Women
- Ms. Mini Fernandez attended FEP on “Generative AI in Higher Education: Emerging Tools & future directions” conducted on February 06, 2026 and organised by IQAC, Nirmala College for Women
- Ms. Mini Fernandez attended Seminar “The Big Bang Mystery- Understanding the cause and effect” conducted on February 20, 2026 and organised by IQAC, St. Francis College for Women
- Ms. Mini Fernandez attended Seminar on “Research Grant Management & Readiness for effective fund utilization” conducted on February 24, 2026 and organised by St. Francis College for Women
- Ms. Mini Fernandez attended two-day National Conclave on “Research & Deep Technologies for sustainable Bharat 2047” conducted from February 28 to March 01, 2026 and organised by ESCI, Gachibowli, Hyderabad

Ms. Shruti Joshi

- Ms. Shruti Joshi attended FDP “Recent trends in Education- Staying relevant as teacher in 2025” on June 09, 2025, organised by St. Francis College for Women.
- Ms. Shruti Joshi attended FDP “The changing face of NAAC Accreditation- BAF & MBGL” on June 24, 2025, organised by St. Francis College for Women.
- Ms. Shruti Joshi attended FEP “Beyond Borders: SUSI scholar & IVLP” on July 15, 2025, organised by St. Francis College for Women.
- Ms. Shruti Joshi attended FEP on “Academic leadership” on August 20, 2025 organised by St. Francis College for Women.
- Ms. Shruti Joshi attended FEP “Synergy for success” on September 10, 2025, organised by St. Francis College for Women.

- Ms. Shruti Joshi attended Guest talk “Laudato Si” on October 08, 2025 organised by St. Francis College for Women
- Ms. Shruti Joshi attended FEP on “Professional Ethics” conducted on December 19, 2025 and organised by FDC& IQAC, St. Francis College for Women.
- Ms. Shruti Joshi attended Seminar on “Research Grant Management & Readiness for effective fund utilization” conducted on February 24, 2026 and organised by St. Francis College for Women
- Ms. Shruti Joshi attended FDP ON “Power BI Essentials: Visualizing, Analyzing and Reporting” conducted on march 03, 2026 by Department of Statistics, St. Francis College for Women.

4. PAPERS PRESENTED; PUBLISHED / BOOK /CHAPTERS PUBLISHED BY FACULTY MEMBERS

Papers Presented

- Ms. Shouni Niveditha had presented a paper titled “Biosynthesis and therapeutic evaluation of *T.dioica* Peel mediated nanoparticles” in the International Conference-“Integrative Biotechnology for Global Impact, IBGI-2026 organised by St. Francis College for Women on February 17, 2026
- Ms. Shouni Niveditha had presented a paper titled “Green Synthesis of zinc & silver nanoparticles using *S.edule*: Biological evaluation” in the International Conference-“Integrative Biotechnology for Global Impact, IBGI-2026” organised by St. Francis College for Women on February 17, 2026
- Ms. Shouni Niveditha had presented a paper titled “Plant mediated synthesis of zinc and silver nanoparticles from *Sechium edule* and evaluation of their biological activities” in the national conference “Innovations in Biological Sciences for a healthier planet: NCIBSHP-2026” organised by Mahatma Gandhi University, Nalgonda on March 24- 25, 2026.
- Ms. Shouni Niveditha had presented a paper titled “Green synthesis of bioactive silver and zinc nanoparticles from *Trichosanthes dioicia* peel and their biological evaluation activities” in the national conference “Innovations in Biological Sciences for a healthier planet: NCIBSHP- 2026” organised by Mahatma Gandhi University, Nalgonda on March 24- 25, 2026.

- Dr. Deepa Switha had presented a paper titled “Bioprospecting traditional Indian Fermented foods for Novel probiotic strains through functional and molecular characterization” in the International Conference- “Integrative Biotechnology for Global Impact, IBGI-2026 organised by St. Francis College for Women on February 17, 2026
- Dr. Deepa Switha had presented a paper titled “Bio exploration of Traditional Fermented foods for Isolation, Characterisation and Functional evaluation of Lactic acid bacteria” in the International Conference “Integrative Biotechnology for Global Impact, IBGI-2026 organised by St. Francis College for Women on February 17, 2026
- Dr. Deepa Switha had presented a paper titled “Delineating functional determinants and molecular signature of probiotic candidates from traditional Indian fermented food” in the national conference “Innovations in Biological Sciences for a healthier planet: NCIBSHP-2026” organised by Mahatma Gandhi University, Nalgonda on March 24- 25, 2026.
- Ms. Mini Fernandez had presented a paper titled “In-Silico studies of ZG16B, CLC13, KRAS, TPP3 & LAMTOR2 proteins involved in pancreatic ductal adenocarcinoma” in the International Conference “Integrative Biotechnology for Global Impact, IBGI-2026 organised by St. Francis College for Women on February 17, 2026
- Ms. Mini Fernandez had presented a paper titled “In-Silico studies of ELOC, SELENOS, UBB, TTYH2 & MSRB3 proteins involved in renal cell carcinoma” in the International Conference- “Integrative Biotechnology for Global Impact, IBGI-2026 organised by St. Francis College for Women on February 17, 2026
- Ms. Mini Fernandez had presented a paper titled “In-Silico studies of ERBB3, RRPTA, KRAS, CALML3, CRABP1 proteins involved in gastric cancer” in the International Conference- “Integrative Biotechnology for Global Impact, IBGI-2026 organised by St. Francis College for Women on February 17, 2026
- Ms. Shruti Joshi had presented a paper titled “Integrative Approaches for analyzing physicochemical and biological data for water quality monitoring of Khairatabad Lake” in the International Conference “Integrative Biotechnology for Global Impact, IBGI-2026” organised by St. Francis College for Women on February 17, 2026
- Ms. Shruti Joshi had presented a paper titled “Analysing physical, Chemical and Biological assessment of water quality of Fox Sagar Lake” in the International Conference “Integrative

Biotechnology for Global Impact, IBGI-2026” organised by St. Francis College for Women on February 17, 2026

- Ms. Shruti Joshi had presented a paper titled “Integrated analysis of physico-chemical & biological parameters in water quality assessment of Musi River” in the International Conference “Integrative Biotechnology for Global Impact, IBGI-2026” organised by St. Francis College for Women on February 17, 2026
- Ms. Shruti Joshi had presented a paper titled “Assessment of Khairatabad lake water quality and antibacterial screening of selected plant extract against waterborne bacteria” in the national conference “Innovations in Biological Sciences for a healthier planet: NCIBSHP-2026” organised by Mahatma Gandhi University, Nalgonda on March 24- 25, 2026.

- K. Gowri Priya, **Mini Fernandez** (2026). In-Silico Studies of ELOC, SELENOS, UBB, TTYH2, and MSRB3 Proteins Involved in Renal Cell Carcinoma. Integrative Biotechnology for Global Impact, IBGI-2026, ISBN No: --

- S. Swetha, **Mini Fernandez** (2026). In-Silico Studies of ZG16B, CLCI3, KRAS, TPPP3 and LAMTOR2 Proteins Involved in Pancreatic Ductal Adenocarcinoma. Integrative Biotechnology for Global Impact, IBGI-2026, ISBN No: --
- Chenna Harshitha, **Ms Shruti Joshi**(2026). Analysing Physical Chemical and Biological Assessment of Water Quality of Fox Sagar Lake. Integrative Biotechnology for Global Impact, IBGI-2026, ISBN No: --
- Lakhya Sharma, **Ms. Shruti Joshi** (2026). Integrated Analysis of Physico-Chemical and Biological Parameters in Water Quality Assessment of Musi River. Integrative Biotechnology for Global Impact, IBGI-2026, ISBN No: --
- Rida Abdul Khadeer, **Ms Shruti Joshi** (2026). Integrative Approaches for Analyzing Physicochemical and Biological Data for Water Quality Monitoring of Khairatabad Lake. Integrative Biotechnology for Global Impact, IBGI-2026, ISBN No: --

- **5. GUEST LECTURES ORGANISED**

- A guest lecture titled “From labs to Global Markets: Biotechnology Careers Unleashed” was organized by the Department of Biotechnology by resource person Dr. M.Muthamilarasan on June 27, 2025 for the students of B.Sc. Biotechnology- final year
- An alumna talk on “Roots & Routes: Biotechnology Alumna Connect” was organized by the Department of Biotechnology by resource person Ms. Neethi C. Thathapudi on July 19, 2025 for the students of B.Sc Biotechnology.
- A guest lecture titled “Global Careers paths in Biotechnology” was organized by the Department of Biotechnology in collaboration with American Corner by resource person Mr. Ankur Nishal on August 20, 2025 for the students of B.Sc. Biotechnology- final year
- A guest lecture titled “Career prospects in Reproductive Biotechnology” was organized by the Department of Biotechnology by resource person Dr. Charu Latha on September 03, 2025 for the students of B.Sc. Biotechnology-second and final year
- A guest lecture titled “From risk to recovery: A cancer awareness talk” was organized by the Department of Biotechnology facilitated by resource person. Dr. Geetha Nagasri on February 4, 2026 for the students of B.Sc. Biotechnology-

- A alumni guest lecture was organized by the Department of Biotechnology in collaboration with FAA by resource persons, Dr. Manasa & Ms. Kanchan on February 9, 2026 for the students of B.Sc. Biotechnology- final year

6. INDUSTRY -ACADEMIA CONNECT INITIATIVES

Any **MOUs signed** by the Department

An MOU was signed between Asian Healthcare Foundation, Institute of Translational Research, AIG Hospitals, Hyderabad and St. Francis College for Women, Hyderabad on April 25, 2025 with the objective of enhancing academic learning and skill development through collaborative field visits, seminars, workshops and expert lectures.

B. Guest talk by Industry experts

- A guest lecture titled “Career prospects in Reproductive Biotechnology” was organized by the Department of Biotechnology by resource person Dr. Charu Latha on September 03, 2025 for the students of B.Sc. Biotechnology-second and final year
- A alumni guest lecture was organized by the Department of Biotechnology in collaboration with FAA by resource persons, Dr. Manasa & Ms. Kanchan on February 9, 2026 for the students of B.Sc. Biotechnology- final year

7. FACULTY ACHIEVEMENTS (PhD., Research Grants, Minor/Major research, Awards....)

- Ms. Shouni Niveditha has been awarded with “Excellence in Biotechnology Education & Leadership award” in August 2025 by ACT NOW-NGO (A Govt. Regd. Vol. Orgn.)
- Ms. Shouni Niveditha had participated in the international conference on Integrative Biotechnology for Global Impact, IBGI-2026 on February 17, 2026 and was awarded the second prize in the poster presentation organised by Biotechnology Department, St. Francis College for Women.
- Ms. Shouni Niveditha served as a judge for poster presentation at the one-day international conference on January 9, 2026 organised by department of Microbiology, St. Francis College for Women in association with Case Western Reserve University , Ohio, USA& Association of Microbiologists of India.

- Ms. Shouni Niveditha had participated in passing the ball competition conducted on the occasion of International Women's Day and won first prize on March 09, 2026.
- Dr Deepa Switha completed a Minor Research Project on the topic "Micropropagation of Ornamental plants as symbolic souvenirs and medicinal plants for their antimicrobial properties" funded by SFC Minor Research Project.
- Dr Deepa Switha had participated in the international conference on Integrative Biotechnology for Global Impact, IBGI-2026 on February 17, 2026 and was awarded the first prize in the oral presentation organised by Biotechnology Department, St. Francis College for Women.
- Dr Deepa Switha served as a judge for poster presentation at the one-day international conference on January 9, 2026 organised by department of Microbiology, St. Francis College for Women in association with Case Western Reserve University , Ohio, USA& Association of Microbiologists of India.
- Dr Deepa Switha served as a judge for the event "Chemistry Idol" on February 5, 2026 organised by department of Chemistry, St. Francis College for Women.
- Dr Deepa Switha participated in faculty singing competition as a part of MediaSphere event on February 11, 2026 organised by Mass Communication department, St. Francis College for Women
- Dr. Deepa Switha had participated in passing the ball competition conducted on the occasion of International Women's Day and won first prize on March 09, 2026.
- Dr. Deepa Switha was invited as a subject expert for the Board of Studies meeting of St. Ann's College, Vishakapatnam on March 26, 2026.
- Ms. Mini Fernandez had participated in the international conference on Integrative Biotechnology for Global Impact, IBGI-2026 on February 17, 2026 and was awarded the second prize in the oral presentation organised by Biotechnology Department, St. Francis College for Women
- Ms. Mini Fernandez had participated in passing the ball competition conducted on the occasion of International Women's Day and won first prize on March 09, 2026
- Ms. Shruti Joshi had participated in the international conference on Integrative Biotechnology for Global Impact, IBGI-2026 on February 17, 2026 and was awarded the

second prize in the poster presentation organised by Biotechnology Department, St. Francis College for Women.

- Ms. Shruti Joshi had participated in passing the ball competition conducted on the occasion of International Women's Day and won first prize on March 09, 2026

8. STUDENT ACHIEVEMENTS (WINNER DETAILS)

- Ms K. Snigdha Gayathri and N. Jenny Grace of B.Sc. II year had participated in Poster Making Competition organised by and were awarded the third prize in the competition by Narcotics Control Bureau, Hyderabad zone.
- Ms. Zainab Fatima of B.Sc. II year had participated in Slogan Writing Competition and was awarded the second prize in the competition by Narcotics Control Bureau, Hyderabad zone.
- Ms. Riya Raman of B.Sc. I year had participated in Essay Writing Competition and was awarded the second prize in the competition organised by Xpressions Club St. Francis college for Women.
- Ms. Riya Raman of B.Sc. I year had participated in Escape room event and was awarded the second prize in the competition organised by department of computer science, St. Francis college for Women.
- Ms Dominic Rachel of B.Sc. III year had participated in Independence Day- group dance competition and was awarded the second prize in the competition organised by, St. Francis college for Women
- Ms. Himvarsha Chatti of B.Sc. II year had participated in Chemistry Idol event and was awarded the second prize in the competition organised by department of Chemistry, St. Francis college for Women.
- Ms. K. Prerana Reddy of B.Sc. II year had participated in traditional rangoli competition and was awarded the second prize in the competition organised by, St. Francis college for Women.
- Ms. Jessica Catherine Chintala of B.Sc. II year had participated in scripture exam and was awarded the third prize in the competition organised by FACE club, St. Francis college for Women.

- Ms. K. Bhuvana of B.Sc. II year had participated in traditional rangoli competition and was awarded the third prize in the competition organised by, St. Francis college for Women.
- Ms. Sahaya Emelyn Stanica, Ms. P Rohini and Ms. Sanskriti Kumari of B.Sc. III year had participated in GLEE 2025 and were awarded the first prize in the live experiment organised by Spectrum Club, St. Francis college for Women.
- Ms. Sahaya Emelyn Stanica of B.Sc. III year had participated in Christmas photography and was awarded the first prize in the live experiment organised by, St. Francis college for Women.
- Ms. Chenna Harshitha and Ms. Talloju Pavithra of B.Sc. III year had participated in GLEE 2025 and were awarded the second prize in the live experiment organised by Spectrum Club, St. Francis college for Women.
- Ms. Athmakur Aasritha and Ms. K. Hiranya Das of B.Sc. III year had participated in Chemistry Idol event and was awarded the first prize in the competition organised by department of chemistry, St. Francis college for Women.
- Ms. D. Pallavi and Ms. Susannah Rachel of B.Sc. III year had participated in GLEE 2025 and was awarded the first prize in the working model competition organised by Spectrum Club, St. Francis college for Women.
- Ms. D. Pallavi of B.Sc. III year had participated in the International conference on Integrative Biotechnology for Global Impact, IBGI-2026 and was awarded the first prize in the oral presentation organised by Biotechnology Department, St. Francis College for Women.
- Ms. Lakhya Sharma of B.Sc. III year had participated in the International conference on Integrative Biotechnology for Global Impact, IBGI-2026 and was awarded the second prize in the poster presentation organised by Biotechnology Department, St. Francis College for Women.
- Ms. K. Gowri Priya and Ms. K. Harshitha of B.Sc. III year had participated in GLEE 2025 and were awarded the third prize in the live experiment organised by Spectrum Club, St. Francis college for Women.
- Ms. K. Gowri Priya of B.Sc. III year had participated in the International conference on Integrative Biotechnology for Global Impact, IBGI-2026 and was awarded the second prize

in the oral presentation organised by Biotechnology Department, St. Francis College for Women.

- Ms. Aashvika Gupta, Kirtana Satish and Ms. Aafreen Sultana of B.Sc. III year had participated in Talaash, Yuvaflare and were awarded the second prize in the competition organised by Shaastr Club, St. Francis college for Women
- Ms. Dominic Rachel of B.Sc. III year had participated in the International conference on Integrative Biotechnology for Global Impact, IBGI-2026 and was awarded the second prize in the poster presentation organised by Biotechnology Department, St. Francis College for Women.
- Ms Dominic Rachel of B.Sc. III year had participated in Chemistry Idol event and was awarded the second prize in the competition organised by department of chemistry, St. Francis college for Women.
- Ms Dominic Rachel and Ms Amreen Fatima of B.Sc. III year had participated in Natale Flash Mob competition and were awarded the second prize in the competition organised by, St. Francis college for Women
- Ms Dominic Rachel of B.Sc. III year had participated in Intercollege basketball tournaments and was awarded the first prize in the tournament organised by Osmania University
- Ms. Amreen Fatima of B.Sc. III year had participated in GLEE 2025 and was awarded the third prize in the live experiment organised by Spectrum Club, St. Francis college for Women

8. SOCIAL OUTREACH INITIATIVES-

- As a Spectrum club initiative, students from the Department of Biotechnology organised an eye camp for the five adopted tandas under Unnat Bharat Abhiyan Scheme.
- 98 students from BSC IIA-BTZC, BSC IIC-BTMBC and BSC IIF- BTBCC combinations were accompanied by the faculty members Ms. Mini Fernandez, Ms. Shouni Niveditha and Dr. Deepa Switha visited second chance foundation, shelter for the homeless on 8th December 2025
- 41 students from BSC IC, BTMBC combination were accompanied by the faculty members Ms. Shruti Joshi and Dr. K Suman visited Prashanthi old age home, on 8th December 2025

9. FIELD VISITS ORGANISED

- A group of 44 students from B.Sc, III Year Biotechnology visited School of Life Science, University of Hyderabad for a field visit on July 03, 2025
- A group of 54 students from B.Sc, III Year Biotechnology visited LaCONES, Hyderabad for a field visit on December 18 , 2025

10. STUDENT CLUB ACTIVITIES HOSTED BY DEPARTMENT STUDENTS (IF RELEVANT)-

- As a Spectrum club initiative, students from the Department of Biotechnology organised an eye camp for the five adopted tandas under Unnat Bharat Abhiyan Scheme.
- Live demonstrations and 3D model competitions were conducted at GLEE-2025: An annual outreach programme organised by the Spectrum Club. 18 students from the Department of Biotechnology were part of this event.
- Live demonstrations and 3D models were presented at Sci Trial- An open day programme conducted by the Spectrum Club. 18 students from the Department of Biotechnology were part of this event.
